

# VOLLEYBALL

## REGULAR SEASON:

- A. Volleyball is organized on a Region or Area basis with seven (7) state championships. Beginning and ending dates for practice and competition can be found at the front of this publication.
- B. The National Federation Volleyball rules committee has given each state its option about the number of games that determine a match.
  1. Region/Area matches shall be best-of-three unless ALL teams in the Region/Area agree (prior to the start of the season) to play best-of-five. Championship matches in the Region/Area Tournament may be best-of-five, and all post-season play after Region/Area Tournaments shall be best-of-five.
  2. In all competitions, the deciding set shall be played to fifteen (15) points.
- C. Notification of entry in Volleyball must be filed in writing with the GHSA State Office no later than March 1, for the next school year. Schools will be assigned by the GHSA Executive Director to a region or geographic area for competition, and then will be notified of that assignment.
- D. Schools must enter team schedules, rosters and weekly game/meet results during the season on MaxPreps and be responsible for updates as needed. This information will support statewide media, event programs, broadcasts partners and GHSA Region Standings. Teams are encouraged to maintain team/individual statistics on MaxPreps.
- E. Playing dates:
  1. Schools have a maximum of 18 playing dates regardless of whether or not it is a tournament format or head-to-head competition (each day of a tournament equals one playing date). Region/Area and State playoffs are not counted as part of the allotted playing dates.
  2. An invitational tournament is defined as five (5) or more schools competing in a single or double elimination format that leads to a champion being declared. The use of pool play is acceptable.
