The State Executive Director shall notify the State Appeal Board and all other parties of the appeal. Provided however, that if the only issue under appeal is to request modification of the penalty imposed by the Executive Director, then the member school may appeal directly to the Executive Committee. Any appeal of the decision of the Executive Director does not suspend the ruling made or penalty assessed pending a ruling on the appeal.

D. Appeal Board meetings shall be set on dates established by the Executive Director and published in the GHSA Calendar.
    1. Any request to the Appeal Board must be in the hands of the Executive Director seven (7) calendar days before the scheduled meeting date.

            i. There is an allegation that a GHSA rule was misinterpreted.
            ii. There is an allegation that the Executive Director did not afford due process to the school.
        c. All appeals shall set forth the basis for the appeal and the facts supporting the same, and shall be screened by the Executive Director for compliance with this rule prior to scheduling a hearing.

E. The State Appeal Board, after hearing or examining the evidence submitted by the party or parties, may affirm or reverse the decision of the Executive Director. In order to sustain an appeal, the vote of the Appeal Board shall be unanimous.

F. Should any member school not be satisfied with the decision of the State Appeal Board, they may appeal to the State Executive Committee by filing a written notice of appeal to the State Executive Committee through the State Executive Director within seven (7) calendar days of the date of the decision. The notice of appeal shall clearly state the decision being appealed and the reasons for such appeal. Such notice of appeal shall be accompanied by a check sufficient to pay the entire expenses of the State Executive Committee when such appeal is required to be heard at a time other than regularly scheduled meetings of the State Executive Committee.

G. The State Executive Committee, after hearing or examining the evidence submitted by the party or parties concerned, shall render a decision to affirm, reverse, or modify the decision under appeal.

In the event of dissolution, the residual assets of the organization will be turned over to one or more organizations which themselves are exempt as organizations described in sections 501 (c) (3) and 170 (c) (2) of the Code or corresponding sections of any prior or future Internal Revenue Code, or to the Federal, State, or local government for exclusive public purpose.

BY-LAWS

The Georgia High School Association recognizes that local boards and/or governing bodies may place more stringent requirements as they deem appropriate. The Association encourages all boards of education and/or governing bodies to extend the same rules and regulations to all extra-curricular activities under their jurisdiction. These rules establish the provisions governing student eligibility to participate in interscholastic activities.

A. The word “student” used in these By-Laws refers either to a boy or girl participant in interscholastic athletics, cheerleading, or literary activities. Therefore, according to correct grammatical usage, since the antecedent “student” can involve persons of both sexes, the masculine pronouns he, his, or him used throughout said By-Laws will refer to either male or female participants.
B. The word “principal” used in these By-Laws refers either to a male or female head of a secondary school. Therefore, according to correct grammatical usage, since the antecedent “principal” can involve or refer to persons of either or both sexes the masculine pronouns, he, him, or his, will refer to a male or female head of a secondary school.
C. The abbreviations GHSA used throughout these By-Laws refers to the Georgia High School Association.
D. Nothing in the By-Laws of the GHSA is intended to give any individual students of GHSA member schools any due process or other rights as only member schools are entitled to any notice or opportunity to be heard in any questions coming before the GHSA. No student of GHSA member schools shall have any rights or benefits under these By-Laws as a third party beneficiary or otherwise.

BY-LAW 1.00 - STUDENT

1.10 - CERTIFICATION OF ELIGIBILITY

1.11 Students gain eligibility to practice or compete for the school in which they are enrolled after they have been certified by the principal of that school, after the eligibility forms have been processed by the GHSA office, and after the students have met the standards of:

a. academic requirements
b. age
c. semesters in high school
d. residence in the school's service area
e. transfer rules

Note: Students establishing eligibility as entering 9th graders are automatically eligible for the first semester unless over age.

1.12 The certification of eligibility shall be submitted initially in each sport or activity no later than the date set by the GHSA for the first practice in that sport or activity.

a. This due date does not consider the date of the first contest scheduled.
b. EXCEPTION: Literary, One-Act Play and Riflery certification is due twenty (20) calendar days prior to the first scheduled contest.

1.13 If a student ruled ineligible by the GHSA, competes interscholastically due to the terms of a **court restraining order or injunction** against his/her school and/or the GHSA, and then has the court order vacated, stayed, reversed, or ruled unjustified; the Executive Director shall take one or more of the following actions agains the school involved in the interest of restitution and fairness to the competing school(s):

a. Require that individual and/or team records and performances achieved during participation by the ineligible student be vacated or stricken.
b. Require that team victories be forfeited to the opponent(s).
c. Require that team awards earned by the school or individual awards earned by the ineligible student be returned to the GHSA.

1.20 - ENROLLMENT AND TEAM MEMBERSHIP

1.21 To be eligible to participate and/or try-out for a sport or activity, a student must be enrolled full time in grades 9-12 inclusive at the school seeking eligibility for that student.

a. Enrollment is defined as follows:
    1. Fall Semester: when the student participates in a practice or contest before classes begin, or the student attends classes.
    2. Spring Semester: when the student attends classes.
    3. A student may be enrolled in only one (1) high school at a time.
b. The student must be in regular attendance.
c. The student must be taking courses that total at least 2.5 Units that count toward graduation.
   NOTE: If an eligible student transfers from a school on a block-schedule format to a school using a traditional format (or vice versa) and cannot get a full schedule of classes with equivalent credit, the school may petition the Executive Director for a waiver of this rule for the semester the transfer occurs.
d. All or part of the course load of a student may be taken online through a virtual school as long as the student's grades are being kept at the school in which the student is enrolled. Grades from virtual school courses must be on file at the school by the first day of the new semester for the student to be eligible.

1.22 Students enrolled in grade 9 in a middle or junior high school which is a feeder school to the high school may participate in interscholastic activities for the parent school.

1.23 All-male schools may enlist female students from other schools to be on sideline cheerleading squads as long as the following conditions are met:

a. Each cheerleader must be eligible at the school at which she is enrolled, and must have a signed release from an administrator at that school.
b. Each cheerleader must have a GHSA Pre-participation Physical Evaluation Form on file at the school where she will be cheering as well as at the school at which she is enrolled.

c. Each cheerleader must have insurance coverage comparable to all other participants in GHSA activities.
d. Supervision must be provided by the all-male school for all practices and games.

1.30 - AGE
To be eligible to participate in interscholastic activities, a student must not have reached his 19th birthday prior to May 1st, preceding his year of participation.

1.40 - LIMITS OF PARTICIPATION

1.41 Students must have a certificate of an annual physical examination on file at the school prior to participating in any athletic try-outs, practices, voluntary workouts or games that indicate the students are physically approved for participation.

a. Physical examinations will be good for twelve (12) months from the date of the exam. EXCEPTION: Any physical examination taken on or after April 1 in the preceding year will be accepted until that school ends classes the next Spring or concludes its final Spring sports season (for those participating students).
b. The physical exam must be conducted by a licensed medical physician, doctor of Osteopathic medicine, nurse practitioner or a physician's assistant.
c. The exam must be signed by an M.D., D.O., or by a Physician's Assistant, or an Advance Practice Nurse who has been delegated that task by an M.D., or D.O.
d. The GHSA requires that member schools use the edition of the preparticipation physical evaluation form approved by the American Academy of Pediatrics, et. al., found on the GHSA web site.

1.42 A student has **eight (8)** consecutive semesters or four (4) consecutive years of eligibility from the date of entry into the ninth grade to be eligible for interscholastic competition.

a. A student is not considered to have entered the 9th grade when high school level courses are taken if the student is regularly enrolled in a school in a grade below the ninth grade.
b. Credits earned toward high school graduation which are taken below the ninth grade may be used when considering high school eligibility.
c. The provisions of the eight-semester rule in the case of an individual may be waived by the Executive Director upon presentation of evidence of true hardship beyond the student's control, or by the State Executive Committee upon timely application by a member school for placement on the agenda.

1.43 Sub-varsity competitors must meet all eligibility requirements with the exception of the migratory rule.

1.44 Students in grade 9 and higher may participate on both the varsity and one (1) sub-varsity team in the same sport with the following limitations:

a. Football – a player may not participate in interscholastic competitions more than six (6) quarters per week, beginning with the varsity game.
b. Basketball – a player may not participate in interscholastic competition more than six (6) quarters per calendar day. (Note: Tournaments are exempt from this restriction.)

e. Wrestling – the combination of play dates (wrestling and girls wrestling) in which a student participates may not be greater than the current varsity limit of play dates.
f. All other sports - the combination of games or play days (varsity and sub-varsity) in which the student participates may not be greater than the limit allotted to the varsity in that sport (NOTE: Exceptions may be made by the Executive Director.)

NOTE: Violations of these participation rules in ANY sport will result in a mandatory fine and an automatic forfeiture of the game in which the student exceeded the limit. Additional penalties may be imposed by the Executive Director in extreme circumstances.

1.45 Eighth grade students may participate on a sub-varsity team of a high school provided they attend a feeder school of that high school.

a. Students in grade 8 are never eligible for a varsity event in any activity.
b. Eighth grade students who play on a high school team must meet all middle school requirements as put forth by the State Department of Education.
c. An eighth grade student who is declared ineligible at a middle school or retained for academic reasons, is considered to be ineligible for participation on a sub-varsity high school team.
d. Eighth grade students participating on a sub-varsity team may only participate in 70% of the number of games allotted to the varsity team in that sport. Eighth grade students may not participate in more sub-varsity and middle school contests combined than the number the GHSA allows for varsity competition in that respective sport.

e. Students below the eighth grade are not eligible to participate on any high school team.
f. Students enrolled in grade 8 in a middle school or junior high school which is a feeder school to the member high school may participate in Spring football practice.
g. Students enrolled in grade 8 in a middle school or junior high school which is a feeder school to the member high school may try out for cheerleading at the high school. Eighth grade students at a non-feeder school that has no system high school may participate in cheerleading tryouts at the member high school serving the student's area of residence. Such a student must be pre-enrolled at that member high school, and once pre-enrolled, the student has established eligibility at that high school.
h. Eighth grade students who attend a feeder school for one member high school may NOT participate in any sport or activity practice at a different member high school.
i. All eighth grade students should be reported on Eligibility Form D, available on the GHSA web site.

1.46 The number of contests, start and end dates, and the number of practice days allowed for each sport or activity can be found listed in a calendar at the front of this publication. (NOTE: The season ends for a team when that team is eliminated from the post-season competition or wins the State Championship in that sport.)

1.47 A student's gender is determined as follows:

a. Girls may participate on boys' teams when there is no girls' team offered in that sport or activity by the school (exception: wrestling). Boys may not participate on girls' teams even when there is no corresponding boys' sport or activity. Cheerleading is a coed sport.
b. A student's sex is determined by the sex noted on his/her certificate at birth.
c. The GHSA will attempt to accommodate requests for private restroom or locker/dressing room facilities for students requesting the same at GHSA playoff events or contests provided notice of the request is made as soon as possible to the GHSA office. No student shall be required to utilize the private facilities.

1.48 Advisory Notice - Pregnant Students: In response to the increasing number of pregnant students attending member schools, and the continued participation of these students in GHSA activities, the following advisory notice is being offered:

a. During the first 18 weeks of pregnancy, students, with written consent from a physician, may be allowed to participate in athletic activities except those activities in which a fall or other rapid deceleration is likely to occur.
b. Pregnant students are not allowed to participate in any athletic activities after the 18th week of pregnancy.

1.49 Schools having students participate in athletic activities with artificial limbs must certify that the artificial limb is no more dangerous to participants than a natural limb.

a. A permission form must be filed with the GHSA office.
b. The form may be found in the Miscellaneous section on the GHSA web site.

1.50 - SCHOLASTIC STANDING / SCHOLARSHIP

1.51 To be eligible to participate, practice, and/or try out in interscholastic activities, a student must be academically eligible. A student is required to pass classes that carry at least 2.5 Units counting toward graduation the semester immediately preceding participation. Exception: First semester ninth-grade students.

a. Passing in all GHSA member schools is a grade of seventy (70).
b. Students participating in junior varsity or "B" team competition must meet all scholastic requirements.
c. If an eligible student transfers from a school that uses a block-schedule format to a school using a traditional format (or vice versa) and that student cannot get a full schedule of classes with equivalent credit in the semester of the transfer, the school may petition the Executive Director for a waiver of this rule for the first semester after the transfer occurs.
d. For schools offering courses with yearlong grading, eligibility must be computed for each semester.
    1. At the end of the first semester, the school must determine that the student has a grade of 70% or higher in classes carrying at least 2.5 Units.
    2. The second semester grade will be the grade given for the entire course and shall include the end-of-course test grade.
    3. Remediation programs designed to bring the student's first semester grade up to 70% or higher may be used (in accordance with GHSA guidelines) if the school allows such programs for all students.

1.52 Students gain or lose eligibility on the first day of the subsequent semester. The first day of the Fall semester shall be interpreted as the first date of practice for the first sport.

a. Exception: Students who successfully complete summer school to maintain eligibility become eligible the last day of summer school.
    1. Summer school is an extension of the previous semester and courses may be:

a. remedial in nature where a previously-taken course is repeated in its entirety with a new grade being given.
b. enrichment in nature where a new course is taken that results in new credit being earned.

2. A maximum of two (2) unit credits earned in summer school may be counted for eligibility purposes. NOTE: Additional credits may be earned in credit recovery programs or make-up programs after the start of the new semester.
3. Summer school credits earned in non-accredited home study programs or non-accredited private schools may not be used to gain eligibility. Accreditation recognized under the rule shall be from the Georgia Accrediting Commission (GAC) or a regional accreditation agency (such as SACS) or the Georgia Private School Accreditation Council (GAPSAC).
4. An independent study course taken in summer school must be regionally accredited and accepted by the school system for graduation credit.

b. Courses completed after the beginning of a new semester may not be used to gain eligibility for that semester. Example: night school classes, correspondence courses, etc.
c. Independent study courses taken during the school year must meet the criteria of 1.52 (a) 4.

1.53 Students must accumulate units towards graduation according to the following criteria:

a. First-year students (entering 9th grade) are eligible academically. Second semester first-year students must have passed courses carrying at least 2.5 units the previous semester in order to participate.
b. Second-year students must have accumulated five (5) total units in the first year, AND passed courses carrying at least 2.5 units in the previous semester.
c. Third-year students must have accumulated eleven (11) units in the first and second years, AND passed courses carrying at least 2.5 units in the previous semester.
d. Fourth-year students must have accumulated seventeen (17) units in the first three years, AND passed courses carrying at least 2.5 units in the previous semester.
e. Students may accumulate the required units for participation during the school year and eligibility will be reinstated at the beginning of the next semester.

ADVISORY NOTICE: CURRICULAR INNOVATIONS

A. BLOCK FOUR PROGRAMS:
   1. The student takes four courses that are worth one (1) unit each and the classes meet twice the number of hours per week as in the standard curricular programs.
   2. To be eligible, a student must earn at least 2.5 units.
   3. Unit requirements are the same in all curricular programs.

B. BLOCK EIGHT PROGRAMS:
   1. The student takes eight courses at some time during the term, and each course is worth one-half unit.
   2. To be eligible, a student must earn at least 2.5 units during the term.
   3. Unit requirements are the same in all curricular programs.

C. HYBRID SCHEDULING:
   1. Definition: A student takes a combination of courses scheduled as block courses, yearlong courses and/or traditional courses.
   2. To be eligible, a student must be enrolled in a combination of courses that carry at least 2.5 units.
   3. To be eligible, a student must have passed a combination of courses the previous semester that carries at least 2.5 units.

1.54 A Dual Enrollment program is defined as a program in which a fulltime student at a GHSA member high school takes one or more courses from a state public or private postsecondary institution and receives credit at the high school (toward graduation) and at the postsecondary institution.

a. Dual enrolled students shall take courses that are approved by the Georgia Department of Education.
b. Courses may be taken in a variety of formats (including distance learning and virtual courses) as long as the courses are approved.
c. Postsecondary semester hour credit shall be converted to high school unit credit as follows:
   1. 1-2 semester hours equates to .5 unit
   2. 3-5 semester hours equates to 1 unit
d. Postsecondary quarter hour credit shall be converted to high school unit credit as follows:
   1. 1-3 quarter hours equates to .5 unit
   2. 4-8 quarter hours equates to 1 unit

1.55 Students involved in approved Dual Enrollment programs shall be eligible to participate in GHSA activities provided that academic eligibility is maintained.

a. Courses taken each semester at the high school and/or postsecondary institution must total at least 2.5 units.
b. Courses passed the previous semester at the high school and/or postsecondary institution must total at least 2.5 units
c. Students will gain or lose eligibility on the first day of each semester at the high school and a college calendar that differs from the high school calendar may cause problems.
d. Students who withdraw or are dropped from a Dual Enrollment program and are returned to the high school only, may encounter eligibility problems.
e. Students involved in Joint Enrollment programs, Early College programs, or Gateway to College programs may not be eligible at their respective high schools.
f. A student who participates on an intercollegiate athletic team may not participate in any GHSA activity.

1.56 Loss of Eligibility: Students assigned to an alternative school or on out-of-school suspension for disciplinary reasons, or adjudicated to YDC, lose their eligibility. Suspension is considered to have ended when the student is physically readmitted to the classroom.

1.57 Failure to Meet Academic Standards: When a school administrator believes that the student has failed to meet the academic eligibility requirements due to conditions that were beyond the control of the school, the student, and/or his parents, and such that none of them could have been expected reasonably to comply with the rule, he may request that the student's case be put on the agenda of the Hardship Committee.

a. Ignorance of the rule(s) on the part of any individual is not sufficient cause to set aside the rule(s).
b. Schools must supply all the materials requested on the Hardship Application Form on the GHSA website.

1.58 Credit Recovery/Make-up Work: Students who have academic deficiencies at the end of a semester may make up those deficiencies in programs that are available to any student in the school. NOTE: Programs allowing students to recover academic credit have a variety of names in various schools.

a. Credit recovery programs are short-term programs that involve a course that has been completed and a grade given. The student is given the opportunity to work on areas of deficiency.
b. Make-up programs occur when a course has not been completed and an “Incomplete” grade has been given. The student is given the opportunity to work on areas of deficiency.
c. Credit recovery and make-up work must be completed by the first day of the first semester and within 15 school days after the beginning of the second semester. The student is ineligible until such time as the work is completed and the required passing grade has been recorded. Exception: If the end-of-course test is not offered before the first day of the first semester or within the 15-school-day window of the second semester, the student may be granted a reasonable extension by the GHSA.
d. The GHSA Executive Director shall be authorized to approve credit recovery or make-up work completed later than the first day of the first semester or subsequent to the 15-school-day window of the second semester if he finds that the
    1. timeframe was not met due to circumstances outside the control of the student, his parent(s), and the school, AND
    2. work was completed as soon as reasonably possible, AND
    3. allowance for such a delay is offered on the same basis to all students in the school.
e. Credit recovery programs operated during the summer shall be completed by the first day of the first semester. Students using those credits to gain eligibility are ineligible until the course is completed successfully. Credit recovery is used for remedial work only, and no new credit courses may be applied under this provision.
f. Students using credit recovery or make-up programs must have their eligibility submitted to the GHSA office on a “Form C.”

1.59 Students with disabilities:

a. A student with disabilities who is enrolled in a special education program which is not physically located at the parent school (example: psycho-education center, regional occupation center, community-based instruction class, etc.) shall be eligible to participate, practice, and/or try out in interscholastic activities at the parent school if IEP (Individual Education Program) requirements are met.
b. Schools with students having to meet only IEP requirements for course credit must establish an accounting process for the number of courses passed each semester, and for the awarding of units. Requirements for the date of entry into the ninth grade and for age apply to students with IEPs without variation.
c. Competitive interscholastic activities administered through local special education programs shall follow Georgia Department of Education guidelines and procedures for special education, and are exempt from GHSA requirements.

1.60 - SCHOOL SERVICE AREAS / TRANSFER / MIGRANT STUDENTS / MIGRATORY WAIVER

1.61 School service areas for member public schools are those attendance boundaries established by local boards of education from which a school normally draws its students. The service area for a member private school is the public

school's attendance zone in which the private school resides. The service area for a startup or converted charter school will be the same as the school from which the charter school draws its students.

1.62 A transfer student who has established eligibility at a former school in grades 9-12 shall be immediately eligible at the new school if:

a. The student moved simultaneously with the entire parental unit and all other persons he/she lived with at the former residence, and that residential unit moved into the service area of the new school with simultaneous enrollment of the student in the new school. This is known as a "bona fide move." (NOTE: A move within the same service area does not constitute a bona fide move.)
    1. The student may choose the public or private school serving that area.
    2. It must be apparent that the parent(s) and all the persons residing with the student and the student have relinquished the residence in the former service area and have occupied a residence in the new service area.
    3. The following factors, although not conclusive, may be evidence of relinquishment of the former residence: Selling the residence and vacating it; OR vacating the residence and listing it for sale at a fair market value; OR vacating the residence and leasing it to another (other than a relative) at fair market value; OR abandoning the residence and shutting off the unnecessary utilities. NOTE: When a family claims multiple residences, the residence for which they apply for a homestead exemption will be declared the primary residence provided the family spends the majority of their time at this residence.
    4. The bona fide move is validated when the student's family maintains the new residence for at least one calendar year. A return to the previous service area within that year renders the student to be a migrant student. All hardship appeal processes are available.
b. The student was enrolled in a private school or a magnet school and has a bona fide move from one public school service area to another public school service area. A student in this situation may attend either the public school or a private school serving his area of residence.
c. The student was enrolled in a non-member school in Georgia and, without a bona fide move, transferred to a GHSA member school that serves his area of residence as long as:
    1. It is the initial move of the student from a non-member school to a member school serving his area of residence, AND
    2. The student was enrolled at the high school serving his area of residence in grades 9-12 before attending the non-member school, OR
    3. The student has not yet established eligibility in grades 9-12 at a member school.*Eligibility is established the first time the student enrolls in a GHSA member school regardless of service area.*
    4. A student who transfers from a GHSA member school to an independent school entering the GHSA in the next school year must be enrolled at the entering independent school by January 31 of the year preceding their becoming a GHSA member school in order to be eligible. NOTE: Rules about joint custody transfers have control over the one-time transfer restriction in this by-law.
    5. In compliance with the Dexter Mosley Act, schools must file eligibility for home study students using Transfer Eligibility Form "HS" found on the GHSA web site.
d. The student transfers from a non-member home school and the receiving school grants credit so that the student has accumulated sufficient units. At the time such credit is given, the student must also have passed a minimum of at least 2.5 units the previous semester. The student becomes eligible when credit is awarded officially.
e. The student is involved in a foreign exchange program that is approved and published on the "Advisory List of International Educational Travel and Exchange Programs" published by the Council on Standards for International Educational Travel (CSIET). This list is found on the GHSA web site.
    1. The student shall be considered eligible for a maximum period of one calendar year.
    2. The student shall not be a graduate of a secondary school in his home country.
    3. The student must maintain eligibility requirements at the member school.
    4. The foreign exchange program must randomly assign students to schools by a method that insures that no student, school, or other interested party may influence the assignment for athletic purposes. "Direct Placement" foreign exchange students must go through the hardship appeal process to become eligible.
    5. All eligibility forms (Form B) for foreign exchange students must be accompanied by documentation from the CSIET-approved foreign exchange program showing that the student has been placed according to the normal procedures for that agency.
f. If one of his/her parents or the custodial parent is a certified teacher or administrator teaching in grades 9-12 at the receiving school. This opportunity is available one time only at any given school. (NOTE: Rules about joint custody transfers overrule the one-time transfer restriction in this by-law.)
g. The student has one of the following family related circumstances which shall constitute a waiver of the "bona fide move" rule:
    1. There is a Superior Court Final Order changing permanent physical custody of the student from one parent to the other parent and the student moves to the residence of the parent receiving custody in a new service area and attends the member school serving that service area. Note: All cases involving non-parental custody changes must be appealed through the hardship process.
    2. There is a Superior Court Final Order awarding permanent joint physical custody to the parents and the student

elects to move from the residence of one parent to the residence of the other parent in a new service area and attends the member school serving that area of residence. Provided, however, that such an election can be made only once during a 12-month period beginning the date of the transfer and the Final Order must have specifically awarded the parents “joint physical custody” of the student. Award of “joint legal custody” shall not suffice for purposes of this paragraph.

3. There is a death of the custodial parent with whom the student resided and the student moves to live with the other parent in a new service area and attends the member school serving that area of residence.
4. There is a military transfer of one or both custodial parents that requires a change of residence of the student to a new service area and the student attends the member school serving that area of residence.
(NOTE: Eligibility forms for transfer eligibility under paragraphs (1), (2) and (3) above must be accompanied by certified copies of applicable Court Orders. Eligibility forms for transfer eligibility under paragraph (4) above must be accompanied by true and correct copies of verifiable deployment orders.)

h. Students who are U.S. citizens and who have been enrolled and attended a high school in a foreign country, upon return to the U.S., shall be eligible to participate at a GHSA member school provided the student lives in the new school’s service area and is otherwise eligible under GHSA age, eight-semester, academic and other eligibility rules.
i. Students who are transferred from one school attendance area to another school attendance area by a mandate of the local board of education maintain their eligibility.
j. Married students setting up a household (domicile) shall be eligible in the school of their residence provided they meet all other requirements of eligibility.
k. Students at the Atlanta School for the Deaf will be eligible at the school serving their area of residence provided they meet all other eligibility requirements.
l. The migratory rule (See 1.63) will be waived one time for boarding students only who enter the following schools: Ben Franklin Academy; Darlington. Exception: Students from foreign countries not on an approved foreign exchange program are not eligible.
m. Students entering a school as an “unaccompanied youth” under the conditions of the McKinney-Vento Act must go through the hardship appeal process to become eligible.
n. If approved by the local board of education, students enrolled in a magnet or specialty school established by the local board of education shall be allowed to participate in GHSA extracurricular activities as a member of the school team for the school which they would ordinarily attend according to local board of education attendance policy. Provided, however, that:
    1. If the magnet/specialty school offers the only activity in which the student elects to participate, the student shall be required to participate as a member of the magnet/specialty school program in that activity.
    2. Students at magnet/specialty schools may not participate in GHSA extracurricular activities at both the magnet/specialty school and the school that the student would ordinarily attend. Those students must elect to participate in GHSA extracurricular activities at only one school per school year. For example, students could not play basketball at the magnet school and football at the home school.
    3. The election of the student to participate in GHSA extracurricular activities for either the magnet/specialty school or the school the student would ordinarily attend shall be binding for the current school year.
    4. Such students shall be required to comply with all GHSA eligibility and other rules. The member school shall be required to provide to the GHSA a copy of the local board of education approval of such participation.
    5. The receiving school will submit students on an MT Eligibility Form. This form is available on the GHSA web site (www.ghsa.net).

1.63 Student Eligibility

a. A “migrant student” is a student who transfers into a GHSA school without a bona fide move or without one of the exceptions listed in by-law 1.62. The student may practice or compete at the sub-varsity level, but may not compete at the varsity level for one calendar year from the date of entry into the new school. In the event that, after transfer, a student becomes or is later determined to be a migrant student, then the student shall be ineligible to compete at the varsity level for one calendar year from that date.
b. If a student has been ruled eligible to participate by the GHSA, but it is later determined that such eligibility should not have been approved, any ineligibility to participate in future GHSA activities may be assessed as of the date that such ineligibility was determined.

1.64 A student who is not eligible at the former school, and then transfers to a new school, cannot regain eligibility by the transfer. Academically ineligible students cannot gain eligibility by being adjudicated to YDC and subsequently returning to their resident school with earned credit. NOTE: The new school may file a hardship appeal if circumstances warrant.

1.65 Students whose transfers from member school to member school have been approved by the GHSA office after the end of regular season play or during post-season play are not eligible for participation in GHSA sponsored tournaments and/or playoffs in that particular sport for the school year of transfer.

1.66 A student who is not eligible at one school because of suspension or expulsion and then transfers to a member school cannot regain eligibility by such a transfer, for the length of the suspension or one calendar year, whichever is less.

1.67 A **permissive transfer** is defined as an allowance by a local board of education for students and/or their parents to choose a school to attend without regard to the location of residence.

1. A student transferring from member school to member school on a permissive transfer is considered a migrant student.
2. A student transferring to or from a school housing a system-wide, singular academic or vocation program or a magnet program on a permissive transfer is considered a migrant student.
    1. The offering of an individual course or series of courses by one school in a system does not provide inherent justification to grant GHSA eligibility.
    2. Special options offered by a school system that allow students to attend a school outside their area of residence do not provide inherent justification to grant GHSA eligibility.
    3. Any such permissive transfer issue may be brought before the GHSA Hardship Committee.
3. Students transferring under the provisions of Federal or State academic accountability regulations must be processed through the normal hardship appeals process.
4. When a military base is located in two school districts, a student moving onto the base for the first time may choose to attend either school district, and that district will place the student appropriately. Any transfer after the initial placement will be subject to standard eligibility regulations.

1.68 Hardship Applications may be filed by an administrator at a member school when a student does not meet the standards of eligibility outlined in by-laws 1.50 (academic issues) and 1.60 (transfer issues).

a. The GHSA Constitution (Art. IV; Sec. 5; Subsection B4) specifies that the hardship issues must be beyond the reasonable control of the persons involved.
b. The process of appealing a decision of the Hardship Committee is outlined in the GHSA Constitution (Art. IV, Sec. 9, Subsection C & D).
c. In order for a hardship appeal based on a financial hardship to be approved, the new school must provide proof that the family attempted to address the financial problem at the previous school, and that the need-based financial aid was non-existent or insufficient to resolve the problem. Increases in tuition or other costs at a private school do not create an automatic reason to grant the appeal, because such fee increases are considered foreseeable and not unavoidable. Documentation of the financial problem is required.

1.69 When a new school opens, student eligibility shall be determined as follows:

a. When a school district mandates a service area for a new school for all grades enrolled at the new school, all students living within the mandated service area in those grades are immediately eligible. All students living outside the mandated service area who desire to attend the new school are considered migrant students and are ineligible for one year. Hardship appeals may be filed if conditions warrant.
b. When a school district mandates some students to attend the new school, allows some students to stay at their present school, and permits some students to transfer to the new school, the school shall set a deadline for students living in the service area of the new school to decide whether they will move to the new school, or stay at the present school. The decisions exercised at the deadline date are binding. Subsequent changes render the student to be a migrant student with the one-year period of ineligibility. Students who are granted permissive transfers to enroll at the new school from other schools within the system are considered to be migrant students. Hardship appeals may be filed if conditions warrant.

1.70 - RECRUITING/UNDUE INFLUENCE / FOLLOWING THE COACH

1.71 Recruiting and Undue Influence is defined as the use of influence by any person connected directly or indirectly with a GHSA school to induce a student of any age to transfer from one school to another, or to enter the ninth grade at a member school for athletic or literary competition purposes, whether or not the school presently attended by the student is a member of the GHSA.

a. The use of undue influence to secure OR retain a student for competitive purposes is prohibited, and shall lead to penalties being assessed against either school. This violation may cause the student to forfeit eligibility for one year from the date of enrollment, provided however, that such period of ineligibility may be assessed from the date that recruitment/undue influence violation was finally determined to have occurred with regard to the student rather than from the date of enrollment.
b. Evidence of undue influence includes, but is not limited to:
    1. personal contact with coaches, boosters, or other school personnel discussing participating in athletics upon a proposed transfer
    2. gifts of money, jobs, supplies, clothing, or housing incentives
    3. free transportation
    4. free admission to contests
    5. an invitation to attend practices and/or games
    6. a social event (other than an official schoolwide Open House program) specifically geared for prospective

athletes
7. free tuition beyond the allowable standards found in by-law 1.82
8. a coach asking a prospective student for contact information

c. Complaints or reports of violations of this rule will be investigated and handled on a case-by-case basis. If coaches are found to be in violation of the recruiting rule, a copy of the investigation will be forwarded to the Professional Standards Commission of the Department of Education.
d. A school will be afforded an opportunity to demonstrate it could not reasonably be expected to be responsible for the actions of a booster who is found to have violated the recruiting/undue influence rules.

1.72 Following The Coach: A student athlete transferring from one school to another, or entering the ninth grade for the first time, shall be ruled ineligible for one year if it is proven that:

a. The coach of the receiving school coached an out-of-school team or all-star team on which the athlete played prior to the transfer; OR
b. The coach at the receiving school acted as a private athletic instructor for the transferring athlete, regardless of whether the coach was paid for his services and/or expertise; OR
c. The student participated in a sports camp or clinic run by a member school and/or its coach(es).
d. The player who played for a coach at one school (GHSA member or non-member) and subsequently (within a 12-month period) followed that coach when he/she moved to a GHSA school or changed schools within the GHSA membership. (This is not applicable to dependent children of the coach.)
e. The situations cited in this by-law are considered to be violations even if a bona fide move has occurred. Hardship appeal procedures are available for the demonstration that undue influence has not occurred.

1.73 A booster shall be considered to be an extension of the school and must abide by all rules applied to coaches and other school personnel. The following persons or groups may be considered boosters: members of the school's Booster Club; students; alumni; parents; guardians; or relatives of a student or former student; financial donors; donors of time and effort; personal trainers or coaches renting facilities.

1.80 - FINANCIAL AID

1.81 Any student who receives financial aid or non-GHSA approved gifts from any source and in any form (scholarships, tuition remission, cash, gifts, etc.) arising out of or **received in connection with their participation** in any sport or literary event shall be ruled ineligible. The duration of the ineligibility will last as long as the illegal benefits are being received. This prohibition shall not apply to awards under By-Law 1.90 or to other items approved by the GHSA.

a. If tuition is charged, it must be paid by a parent, legal guardian, or other family member with the exception of payments coming from need-based financial aid.
b. It is not legal for donated funds to be designated for a specific student that are given by non-family members, businesses, churches or other organizations, except for programs specified by state law.
c. Schools may not employ students to work off their tuition costs.
d. The GHSA Executive Director will determine whether the financial aid or gift arose out of or in connection with participation in any sport or literary event.
e. If a school allows a student who has received such financial aid or gifts to participate in competition, the Executive Director shall assess an appropriate penalty.

1.82 Financial aid in the form of free or reduced tuition or other aid must be need-based aid as determined by a national student aid service or financial aid based on institutional policies for academic performance (classroom record and/or test scores) that is administered by persons not in the athletic department.

1.83 Member schools who award financial aid shall issue a statement to the Executive Director signed by the principal or headmaster of the school giving the following information:

a. number of students enrolled in the school
b. number of students receiving financial aid
c. names of students (or a listing of student identification numbers) receiving financial aid who are involved in GHSA activities
d. certification that the percentage of students who participate in activities and who receive financial aid is the same percentage as the number of students receiving financial aid who do not participate in activities (plus or minus 5%)

1.90 - AMATEUR STATUS/AWARDS

1.91 A student who represents a school in interscholastic athletic competition shall be an **amateur** in that activity.

a. An **amateur athlete** is one who engages in athletic competition solely for the physical, mental, social, and pleasure benefits derived therefrom.
b. Accepting nominal, standard fees or salary for instructing, supervising or officiating in an organized youth sports

program or recreation, playground or camp activity, shall not jeopardize an athlete's amateur status.
c. Reasonable compensation derived from private lessons in a sport is permissible.

1.92 An athlete **forfeits amateur status** in a sport by:

a. competing for money or other monetary compensations except for reasonable allowances for travel, meals, and lodging. NOTE: Accepting expense allowances authorized by the United States Olympic Committee for Olympic Development Programs is acceptable for GHSA students.
b. receiving any award or prize of monetary value which has not been approved by the GHSA.
c. capitalizing on athletic performance by receiving money or gifts with monetary value except college scholarships.
d. signing a professional playing contract in any sport, or hiring an agent to manage his/her athletic career.

1.93 Only **awards** approved by the GHSA may be accepted by a high school student-athlete as a result of participation in school or non-school competition in a sport recognized by the GHSA.

1.94 Symbolic awards (i.e. non-cash) presented for winning or placing in GHSA competitions are limited to $400 per year, per student in the aggregrate, paid by the local school. These are the only GHSA-approved awards for interscholastic competition. Beyond this, a student may receive one (1) school sweater or jacket presented by the school during his high school career.

1.95 Athletes competing in golf or tennis events are limited to awards as specified in the United States Golf Association Rules of Golf, and the United States Tennis Association Handbook of Tennis Rules and Regulations, which includes (but not limited to) the following:

a. No cash awards may be accepted.
b. Merchandise awards in tennis may be accepted up to a retail value of $250.00.
c. Merchandise awards in golf may be accepted up to a retail value of $750.00.

1.96 Players attending national camps or all-star events may keep reasonable benefits for housing, meals and transportation. Players may keep only equipment that is commemorative in nature and/or used in the process of the event’s workouts.

1.97 Students may receive consideration for the use of their own name, image and likeness (NIL). Guidance for NIL can be found in Appendix “N” of the GHSA Constitution.

BY-LAW 2.00 - SCHOOL

2.10 - SCHOOL MEMBERSHIP TO GEORGIA HIGH SCHOOL ASSOCIATION

2.11 The GHSA is a voluntary association available to any Georgia high school, grades 9-12, that has been authorized to seek membership by the local board of education or similar governing body of control.

a. Member schools agree to conform to the Constitution and By-Laws of the GHSA.
b. Member schools agree to conform to the rules of the region organizations to which they are assigned.
c. Should a conflict arise between state rules and region rules, the state rules always take precedent.

2.12 Procedure for Membership:

a. The local board of education or similar governing body of control must adopt a resolution authorizing membership for the high school.
b. Membership is continued through the original resolution as long as the school is in good standing with the GHSA.
c. April 1 preceding the reclassification alignment process is the deadline date for new and existing private schools to join the GHSA for the next reclassification period. Newly established public schools will have a deadline date of April 1 to join the GHSA for the upcoming school year. No private school with an actual numerical enrollment of less than 150 students in grades 9-12 will be admitted to the GHSA.
d. Converted charter schools whose attendance zones and eligibility requirements do not change retain their membership in the GHSA. Converted charter schools or startup charter schools must apply for membership in the GHSA.

2.13 Dues for Membership:

a. The amount of the dues is set annually by the Executive Committee of the GHSA and includes a portion of the cost of catastrophic insurance.
    1. Dues must be paid prior to October 15 of each year.
    2. Schools failing to meet the dues-payment deadline are not eligible to participate in any contest until membership dues are paid.
b. Dues are prorated according to the school's classification.
   NOTE: Schools with a total enrollment of less than 50 students are assessed their insurance fees according to the actual number of participants.
c. *The Dues schedule is as follows:

1A	$490.00	$590.00

*Dues and Fees may be waived by the Executive Director.

2.14 If a school or school system initiates litigation against the association and the court rules in favor of the association, the school or school system shall be responsible for paying all court costs and attorneys' fees.

2.15 If the association conducts an investigation of a member school in reference to a possible violation of association rules and the member school is found to be in violation, the school shall be assessed the cost of the investigation in addition to any fines.

2.16 Playing a Non-Region Schedule: A school may choose to play a non-region schedule in football, fastpitch softball, basketball, and/or baseball, and this choice is in effect for the current reclassification cycle.

a. A *GHSA member* school playing a non-region schedule may not participate in post-season competition*in the GHSA*

or any other association..

b. Results of games with a school playing a non-region schedule may not be used in region standings.
c. Schools playing a non-region schedule in football, fastpitch softball, basketball and/or baseball must inform the GHSA office not less than 30 days prior to the first official playing date for that sport.

2.17 Region and Area Divisions: A classification in any sport will be considered Regionalized when a majority of the schools (with a minimum of 5) in all regions participate in that sport. In sports where all classifications are not regionalized, the classes may be divided into Area alignments, and two or more classifications, or any portions thereof, may be combined at the discretion of the Executive Director. NOTE: Regions formed by the Reclassification Committee that consist of fewer than five (5) teams may be exempted from this rule.

2.20 - ADMINISTRATIVE RESPONSIBILITIES

2.21 The administrative head of each school shall have on file in the school office:

a. a certificate of an annual physical examination given by a licensed medical physician, a doctor of Osteopathic medicine, nurse practitioner or a physician's assistant indicating the student is approved for participation in athletic activities before that student may try-out, participate in practice, conditioning drills or summer activities, or participate in interscholastic contests (see By-Law 1.41).
b. a written Emergency Action Plan for athletic practices and games. This plan must include responses to natural disasters, serious illnesses/injuries, and terroristic events, and must have the involvement of local law enforcement agencies, rescue agencies, medical doctors and hospital personnel.
c. The Emergency Action Plan (EAP) should include the following:
    1. The venue-specific EAP should be reviewed and rehearsed annually prior to each sport season. Recommended personnel include local Emergency Medical Services (EMS), school public safety officials, school administrators, on-site medical personnel or school medical staff (team physicians or athletic trainers) and all pertinent coaching staff members.
    2. The venue-specific EAP and AED should be accessible to all involved in a potential emergent situation for practices, games or other athletic events.
    3. All emergency equipment which is available onsite, including Automatic External Defibrillators (AEDs), should be listed on the EAP, stored in a safe place, be well-marked and publicized.
    4. The EAP should identify key personnel and their responsibilities to carry out the plan of action with a designated chain of command, including documentation actions that need to be taken post emergency.
    5. The EAP should contain appropriate contact information for the local and/or responding EMS personnel.
    6. The EAP should contain the facility address, GPS coordinates, location and contact information.
    7. A medical timeout is recommended prior to all GHSA sanctioned events to review the EAP.

2.22 The administrative head of each school shall operate all interscholastic contests and activities under direct and complete control of the school administration or designated school personnel. These responsibilities are not to be delegated by the board of education, superintendent, or principal to any person or persons who are not a part of the school's professional staff.

2.23 The administrative head of each school is expected to be a person who believes in fairness and honesty as evidenced by the strict adherence to all rules and regulations in regards to eligibility of contestants representing his/her school.

2.24 The administrative head of each school is expected to employ those persons who exemplify fairness and honesty. Any certificated person who violates rules in regard to student eligibility, or illegal practices, or knowingly misleads a member school and/or the GHSA will have a report of that behavior sent to the Professional Standards Commission.

2.25 The administrative head of each school may submit to the GHSA Executive Committee such recommendations for the improvement of the GHSA as he/she may deem necessary.

a. These recommendations must be submitted to the GHSA Office at least thirty (30) calendar days prior to the meeting of the Executive Committee.
b. A proposal brought to the Executive Committee that is denied by either a subcommittee or the full Executive Committee may not be submitted for three (3) regularly-scheduled meetings after the previous submission unless a substantive change has been made to the proposal.

2.26 The member institution has a responsibility to educate student-athletes, coaches, and other appropriate persons on GHSA rules and procedures that could affect them. Further, the member school should monitor its compliance with State Association guidelines.

2.27 Member schools that fail to follow stated procedures and deadlines may be assessed a fine for each violation.

2.28 Schools that need to cancel appointments scheduled with the Hardship Committee or the Appeals Board must do so at least 24 hours before the appointment. Failure to cancel properly will result in a fine.

2.29 Member schools are expected to fulfill their responsibilities for a sports season once they have committed to play that sport.

a. If a school commits to play a sport at the region meeting that precedes the sport, or on March 1 for Area sports, and then drops out of competition before or during the season, the school will have to play a non-region schedule in that sport the next year.
b. If a school enters the competitive structure that qualifies it to advance in postseason competition, that school is expected to advance if it qualifies. Schools that drop out of competition after qualifying may be penalized with fines or probation.
c. Appeals for emergency circumstances may be filed with the Executive Director.

2.30 - ELIGIBILITY REPORTS FILED BY THE SCHOOL

2.31 Eligibility reports are required for all contestants prior to the calendar date for the first possible practice in any GHSA activity. (EXCEPTION: Eligibility reports for Literary, One-Act Play and Riflery competitions are due twenty (20) calendar days before the first contest.)

a. Students are not allowed to participate in academic, athletic or literary competitions until their eligibility reports have been received and processed by the GHSA Office.
b. Failure to meet the eligibility deadline may lead the GHSA Executive Director to:
    1. Assess a fine to the school that is delinquent.
    2. Suspend the membership of a school that does not file eligibility reports.
    3. Reports not filed properly will be returned to the school for resubmission.

2.32 Schools playing interscholastic contests before filing an eligibility report on one or more participating students may be subject to one or more of the following penalties imposed by the GHSA Executive Director:

a. a fine per game or contest in which one or more participants had no eligibility report filed;
b. forfeiture of any game in which one or more participants did not have eligibility report filed;
c. restriction from competition in any sport if the fines assessed are not paid within fourteen (14) calendar days of notification.

2.33 Supplementary eligibility reports may be submitted at any time on transfer students, students coming out for the team after the initial report, and/or those students who gain eligibility at the beginning of a semester.

2.34 Once a student has been certified eligible by the school and has been processed by the GHSA, eligibility is assumed to be continuing, and no further eligibility report is necessary for that student during the school year unless situations occur that render the student ineligible.

2.35 If a student loses eligibility and regains it during the school year, a new eligibility report should be filed for that student.

2.36 Changes of Eligibility Records: When a school discovers that incorrect information has been given on an eligibility report, the school should contact the GHSA office for procedural instructions.

2.37 Requests to investigate a student's eligibility in regard to the transfer rule must be filed with the GHSA office at least twenty (20) calendar days before the end of the regular season in order for any penalties to be applied before the end of the playoffs.

2.40 - STUDENT RETENTION FOR INTERSCHOLASTIC ATHLETIC ACTIVITIES

2.41 Member schools shall prohibit participation in interscholastic activities by any student who was retained in the eighth grade for competitive purposes. The governing body of each school system shall develop a written policy showing that the system does not allow retention for competitive purposes.

2.50 - QUALIFICATIONS TO COACH

2.51 An athletic head coach must be a professional teacher, *a full-time para professional (NOTE: para professionals must take the Head Coaching Class offered through the GHSA coaches education program)*, or hold a four-year degree while also employed in a teaching or administrative position, meeting the teaching requirements and be employed by only one board of education or similar governing authority within the GHSA membership, regardless of whether or not they are paid for their coaching
(Exception: when all boards of education or similar governing authorities and all principals/headmasters involved sign a consent form on an annual basis he/she may coach at another school system), AND:

a. be employed for 20 or more hours per week on a regular basis in a professional, contracted position and must hold a teaching certificate or leadership certificate issued by the State of Georgia, OR
b. be employed for 20 or more hours per week on a regular basis as a JROTC instructor in the school's JROTC

e. be a certified teacher or administrator at a member school on medical leave governed by the "Family Medical Leave Act" and/or the "Georgia Teacher Maternity Leave of Absence" policy (see the GHSA web site for the required form).
f. If a currently certified faculty-coach at a member school loses his/her teaching position because of a reduction in force action, that school may petition the Executive Director in writing for that individual to continue to coach without going through the community coach training.
g. A teacher at a non-member school who is hired to be a coach at a member school must complete the GHSA Community Coach Education program and may not be a head coach. A consent form between the two schools must be completed annually.
h. If a school is in a charter or strategic waiver (IE2) system, the coach (head coach or assistant) must meet the highly qualified requirements outlined in the Georgia Professional Standards Commission's guidelines.

2.52 Member schools may employ persons who are not professionally certificated teachers as assistant coaches in their athletic programs. These individuals are referred to as "community coaches."

a. Community Coach is defined as a person who does not have a professional-level certification, who relates in role and function to a professional and does a portion of the professional's job or tasks under the supervision of the professional, and whose decision-making authority is limited and regulated by the professional. Community coaches are not allowed to function without the immediate supervision of an educational professional and may not assume any of the duties of a varsity Head Coach or be named by the school as a varsity Head Coach.
b. Licensed para-professionals and full-time substitute teachers must complete the GHSA Coaches Education Program and testing program to be eligible to coach.
c. All community coaches should be signed to a written "agreement to coach."
    1. They may coach for only one board of education annually, regardless of whether or not they are paid for their services.
    2. Community coaches may not coach the same sport at more than one school even if there are multiple schools in the system.
d. All community coaches must complete the GHSA Coaches Education Training and Testing Program in "Sport First Aid" and "Principles for Coaches."
    1. Prospective coaches must be subject to a criminal background check before they are registered for the GHSA coaches education program.
    2. Courses are offered at various times each school year throughout the state.
    3. Prospective coaches are registered with the GHSA office by the school hiring them.
    4. No community coach may do any GHSA coaching until he/she has been notified that the GHSA Coaches Education Program had been completed successfully.
e. It is recommended that the following priority for employment be used:
    1. certified employees in the local system (secondary, middle, elementary, central office, etc.);
    2. retired certificated personnel;
    3. community coaches who have completed the GHSA Coaches Education Program.
f. All community coaches must attend a regular GHSA rules clinic each year for any sport in which they coach beginning with their first year of service or the school will be fined.
g. No person who has coached a non-GHSA team in a sport or activity within the previous 12 months may be hired or utilized by a GHSA member school in that same sport or activity IF any of that GHSA school's players participated on the non-GHSA team that person coached.

2.53 GHSA member schools must register all coaches in all GHSA governed activities according to the following:

a. An initial directory listing of administrators and coaches must be completed and filed with the State Office by August 1 of each year. Only professionally certificated personnel, or individuals holding a four-year degree who are employed in a teaching or administrative position, are to be included on the initial directory listings.
b. Qualified Community Coaches are to be reported on the "School Staff Roster" on the GHSA web site. Only those persons who have successfully completed the GHSA Coaches Education Program are to be listed. NOTE: Schools must verify the successful completion of the coaches education program BEFORE community coaches are submitted to the GHSA and BEFORE any coaching activities are allowed (forms on the GHSA web site).
c. After August 1, schools will have occasion to add members to their coaching staff. It is the responsibility of the member school to register these additions in a timely manner, using the School Staff Roster on the GHSA web site.
d. Failure to comply with these procedures could result in punitive actions including, but not limited to, fines, forfeitures and other penalties assessed to the member school.

2.54 Every faculty coach, community coach, or student-teaching intern at a member school must complete:

a. a GHSA-sponsored rules clinic if he/she coaches the following sports or activities: cross country, football, softball, volleyball, riflery, literary, esports, one act play, cheerleading (spirit and/or competitive), basketball, lacrosse, wrestling, swimming and diving, track, baseball, golf, soccer and gymnastics.
b. CPR (minimum compression only) and AED training prior to any team activity or within a maximum of 30 days from the start of a team activity and it must be renewed at a minimum of every two years.
c. All coaches must attend/complete a comprehensive training and education program for "Traumatic Head Injuries." The recommendation is the CDC "Heads Up" for coaches.
NOTE: A fine for each coach who does not complete a rules clinic, or who does not complete the required CPR, AED or concussion management training, before the assigned deadline will be assessed to the school.

2.55 A coach on the payroll of one school district, but under contract to another school district for the following year, may help with spring practice at the new school if arrangements are satisfactory with both systems.

2.56 An assistant or head coach at a GHSA member school may register and officiate a sport in which they coach with the following provisions:

a. They may officiate a sub-varsity contest at any GHSA member school.
b. They may officiate at the varsity and/or post-season level, if the game does NOT involve schools in the same classification as the school at which they coach.

2.60 - INTERSCHOLASTIC CONTESTS AND PRACTICES

2.61 All practices (team and individual) and all regular-season interscholastic contests for GHSA-member schools shall be conducted outside the school day of the participants' school.

a. Regional, Sectional, and/or State playoffs are exempt from this rule.
b. The "school day" is defined as: that period of time between when students are required to report to school and the time of dismissal of that school. EXCEPTION: When the host school is not in session on a given day, competitions may be scheduled earlier than normal dismissal time for the host school. However, any school that is in session on that day may not compete in that event before the normal dismissal time of that school.
c. A player who participates in a GHSA sport may not participate in practices that occur during the school day. Practice is defined as any activity that is school-initiated, organized, coordinated or supported.
d. All practices will have a maximum length of 3 hours.
e. A maximum of two (2) practice sessions my be held in the same day. When multiple sessions are held, the maximum practice time is extended to five (5) hours. Sessions must be separated by a three (3) hour rest break in a cool environment and this rest break cannot included weightlifting or conditioning. When a double session practice day occurs, the following practice day must be a single session day. (Football contact guidelines must be followed)
f. Football participants complete the five (5) day acclimatization period that starts five (5) weekdays prior to the first official day of practice of each calendar year.

2.62 The GHSA shall provide rules and regulations for competition among member schools for those competitive activities listed in the GHSA Constitution and By-Laws.

a. Member schools may be allowed to schedule and play GISA and GAPPS (formerly GICAA) member schools provided the principal or athletic director of each agrees in writing, utilizing the standard "GHSA Cross-Play Contract," available on the GHSA web site (www.ghsa.net).
    1. GISA and GAPPS schools competing with GHSA schools must comply with all GHSA safety rules and requirements and must be in compliance with Official Code of Georgia Sections 20-2-319.2 relating to pre-participation physical exams and 20-2-324.1 relating to concussion management protocols.
    2. *Participants must be in compliance with all eligibility rules of their respective associations.*
    3. Such competition shall not be counted, nor the results considered toward GHSA post-season competition. (*Exception: results can be counted when teams are using a Rating Formula to seed playoff qualification).*
b. In situations not covered by section (a), member schools shall compete, practice or scrimmage only against other member schools or against schools that are full members of the State Association in their respective states (NOTE: Football games may be scheduled only if the opponent is a full member, without restrictions, of its state athletic association). When competing internationally, member schools may compete only against school teams in that nation that are composed of students of similar ages. International exhibition competitions or scrimmages are not allowed. NOTE: When member schools compete out of state, the host state's adaptations of NFHS playing rules will be enforced, and all GHSA by-laws regarding sportsmanship, eligibility and game times will be enforced.
c. Member schools are permitted to compete against non-member schools in activities not listed in the GHSA Constitution and By-Laws.
d. The GHSA Executive Director has the authority to approve competition between GHSA schools and private schools from states in which membership in the State Association is not allowed. These non-member schools must meet or exceed the State Association standards in order to compete with GHSA schools.
e. A member school shall have no more than one varsity, one junior varsity, and one 9th grade team.

1. Any sub-varsity team is limited to a maximum number of games equal to 70% of the varsity allotment in that sport. EXCEPTION: New schools that have only 9th and 10 grades with JV teams only (no varsity) are allowed to play the number of games allowed for varsity teams.
2. Competition between sub-varsity and varsity teams and/or individuals at the same event is prohibited. An exception may be made by the Executive Director for schools just opening and for schools just starting a particular sport.
3. In the sports of Cross Country, Golf, Swimming, Tennis, Track & Field and Wrestling, a school may use a "split squad" at two regular season events on the same day at the varsity or sub-varsity levels. Both of the contests must be counted against the total number of contests allowed in that sport (Exception: Golf – see Golf section). Individual players may not exceed the total number of contests allowed at the varsity level of that sport.
4. Unattached Competitor: Individual athletes may participate in non-GHSA events in the sports of Cross Country, Golf, Gymnastics, Riflery, Swimming, Tennis, Track and Wrestling as long as they do not represent their school, do not wear the school uniform, and are not coached at the event, or transported to the event, by their high school coach. "House teams" made up of athletes from various schools competing in a GHSA event are not considered to be unattached competitors and are illegal.
5. No athlete will be allowed to compete in a GHSA game or contest (even in post-season play) unless accompanied by certified professional school personnel whose names have been submitted to the GHSA as coaches. Those students chaperoned by someone other than a certified professional will not be allowed to compete.
6. In any GHSA sport, there may be no "open" competitions or exhibition performances that extend participation beyond the three levels of competition (i.e., varsity, JV, 9th grade) mandated in this by-law. The only interscholastic contests in which results are disregarded are scrimmages as defined below.
7. Drones shall not be permitted to fly during any GHSA sanctioned contest. Note: This prohibition begins when the gates or doors open and extends until the last spectator has left the field or arena.
8. Live Animals are prohibited at any indoor GHSA event unless a signed permission letter is acquired from the principal of the school wishing to bring the animal and the principal of the host school (if different). A copy of this letter must be provided to the GHSA office. NOTE: This by-law does not pertain to certified service animals

f. One interscholastic scrimmage (two teams meeting head-to-head) is allowed in the sports of Baseball, Basketball, Football, Flag Football, Lacrosse, Soccer, Softball, Volleyball and Wrestling (tri match allowed on days preceding school or quad match on days not preceding a school day).

   2. This scrimmage is for varsity teams only, and shall be played with normal timing and/or scoring rules except as noted in individual sports sections.
   3. Officials registered with GHSA must be assigned, and the GHSA "Fee Chart" must be followed.
   4. A school may not scrimmage another school that is counting the scrimmage as a regular-season contest.
g. *All competitions in sports utilizing a Ratings Formula to seed post-season qualification MUST be played to completion with a winner and a loser being determined.*

2.63 Written contracts are required for all baseball, football, basketball, wrestling and fastpitch softball contests, and are strongly recommended in all other interscholastic contests that are scheduled between member schools.

a. Contract forms can be found on the GHSA web site.
b. Contracts are also recommended for all sub-varsity contests.
c. GHSA-member schools are expected to fulfill the conditions of any game contract that has been properly executed.
   1. Exceptions to the contract may be made with the agreement and consent of both schools.
   2. Member schools that fail to fulfill the requirements of a scheduled event may be required to make restitution to the competing school if that school is unable to secure an opponent (This includes multi-school events). The offended school shall petition the Executive Director for the desired restitution.
   3. Schools failing to fulfill a game contract may be suspended in that sport for one (1) full calendar year or the corresponding date of the next calendar year, whichever is greater.
   4. EXCEPTION: The GHSA Executive Director may excuse the failure to fulfill a game contract if, in his opinion, the circumstances causing the failure were outside the control of the school officials.
d. All athletic events hosted by GHSA-member schools (except Cross Country, Golf, Riflery, Tennis and Track) shall be officiated at all levels of competition by officials who are members of associations that are approved by the GHSA. (Exception: situation noted in By-Law 2.95).
   1. Officials' associations and their assigned schools shall include the method of payment in their contract.
   2. It is recommended that the same number of officials be used in regular-season competitions as the number used in playoff competitions in that sport.
e. Forfeiture and Restitution Policy
   1. If a team does not arrive at the game site for any contest without notifying the host opponent of a late arrival, that contest will be forfeited 30 minutes after the scheduled game-time. If the second game or contest was to be played by a different team (EXAMPLE: girl/boy or JV/varsity combination events), then a decision to forfeit that game will be made 30 minutes after the scheduled beginning of the second game.

2. If there are to be multiple games by the same team and the team does not arrive at the game site without notifying the host opponent of a late arrival, all games will be forfeited 30 minutes after the scheduled game-time of the first contest. EXAMPLE: softball or baseball doubleheaders
3. If a school fails to show up for a game or cancels a game within twenty-four (24) hours of the scheduled starting time without an emergency condition or weather-related conditions, that school shall pay a forfeiture fee to the host school equivalent to the cost of the officials. NOTE: If the host school is the violating team, the fee will be paid directly to the officials association. The host school shall reimburse the visiting team(s) for mileage incurred by the visiting team(s) when this by-law is violated by the host team).
4. If a school fails to show up for a game or cancels within twenty-four (24) hours of the scheduled game time without emergency reasons or weather-related reasons for a second time, that school must make restitution again and must show cause to the GHSA Executive Director as to why they should not be placed on probation by the GHSA.

f. The minimum penalty for allowing an ineligible athlete to participate in an interscholastic contest is forfeiture of the game(s). Fines or other penalties may also be imposed. NOTE: If it is determined by the Executive Director that the school has exercised every reasonable precaution and has been deceived regarding the student's data, any or all penalties may be set aside.
g. A team shall forfeit any team standing or points toward team honors when an ineligible student participates in a contest. In sports where individual titles may be won (Cross Country, Literary, Riflery, Swimming & Diving, Traditional Wrestling, Gymnastics, Golf and Track), eligible individuals will keep their placements and opportunities to advance toward individual honors even if a teammate participated while ineligible.

2.64 Tournaments or multiple-meets, other than the Region or State elimination series must be approved (sanctioned) by the GHSA Executive Director, subject to the special conditions for athletics and/or other activities.

a. A GHSA-member school shall not enter a tournament which requires sanctioning until that tournament has been approved by the GHSA Executive Director.
    1. The GHSA Executive Director may assess a fine and/or other penalties against a member school that violates the sanctioning rules.
    2. Member state championship teams receiving an invitation to nationally-recognized tournaments held after the designated sports season has ended must apply to the Executive Director for approval. Such application must be signed by the principal of the school, must be submitted at least 14 calendar days prior to the beginning of the tournament and must include the following: contact information for the tournament organizer; proposed plans for the school to include manner and date of travel; number of hours of instruction to be missed and fees to participate. A decision not to approve may be appealed to the GHSA Board of Trustees, who shall review the information submitted to the Executive Director. No additional information or documentation shall be considered. The vote of the majority of the Trustees shall control.
    3. Tournament participation limits are set for each sport, and they are listed in the specific sport sections in this document.
b. All applications for sanctioning must be submitted to the GHSA thirty calendar (30) days prior to the tournament by a GHSA-member school.
    NOTE: Tournaments that require National Federation sanctioning are an exception to this rule.
c. The host school for all sanctioned tournaments shall pay five percent (5%) of all gross gate receipts to the GHSA within fourteen (14) calendar days after the tournament.
    1. Total gate receipts before expenses are paid equals the gross receipts.
    2. A financial report of the event shall accompany the payment.
d. GHSA approval for tournaments in contiguous states is needed when there are four or more schools participating.
e. Approval for tournaments in Georgia is needed when:
    1. it is a tournament involving four or more schools OR
    2. it is a tournament in which awards are given.
f. Tournaments that require approval from the National Federation are:
    1. any interstate tournament in which more than eight schools participate, and at least one participant is from a non-contiguous state OR
    2. any interstate tournament that involves schools from five (5) or more state High School Associations, and at least one of them does not border on the State of the sponsoring school OR
    3. any international tournament (except competition with Canadian and Mexican high schools) OR
    4. any interstate tournament involving two (2) or more schools which is co-sponsored by or titled in the name of an organization outside the high school community (e.g., a university, a theme park, an athletic company).
g. The GHSA Executive Director has the authority to approve competition between GHSA schools and private schools from states in which membership in the State Association is not allowed. These non-member schools must meet or exceed the State Association standards in order to compete with GHSA schools.
h. In all sports except Football, a team (subvarsity or varsity) may play multiple games on a single calendar day in a tournament setting. NOTE: In these instances, the special "quarter/half participation rules" in basketball and soccer are waived. When playing multiple games in a single day in Basketball, Soccer and Lacrosse, there must be at least a four (4) hour scheduling interval between games.

i. For any one-day event in which more than two schools compete (i.e., a basketball showcase or some similar event), the following stipulations are in effect:
    1. A “host school” must be designated for each game even if the games are played at neutral sites.
    2. The host school must provide a Game Manager for that game.
    3. The host school must schedule game officials through the local association assigned to it.
    4. These special events will require sanctioning approval from the GHSA office.

2.65 Available Seating: Member schools shall provide a seat for each ticket sold to any contest regulated by the GHSA.

a. An available seat is defined as twenty-four (24) inches in width.
b. Each school is required to make a determination of the available seats prior to the beginning of the contest.
c. At outdoor events, “standing room” tickets may be sold as long as they are identified as such at the time of the purchase, and as long as there are no problems with safety and security with such an arrangement.

2.66 Weekday Contests:

a. Teams playing any regular season contest when there are classes the next day shall be limited to a travel distance of no more than 100 miles one way as determined using the maps program at www.Yahoo.com.
b. No contest shall be played beyond 11:30 p.m., unless exempted under By-Law 2.93 (c2b) or by procedures found in sections of the by-laws dealing with specific sports. A petition may by filed with the Executive Director to waive the 11:30 p.m., curfew for teams of different classifications or competitions with out-of-state teams when there are special circumstances.

2.67 Practice Policy for Heat and Humidity:

a. Schools must follow the statewide policy for conducting practices and voluntary conditioning workouts (this policy is year-round, including during the summer) in all sports during times of extremely high heat and/or humidity that will be signed by each head coach at the beginning of each season and distributed to all players and their parents or guardians. The policy shall follow modified guidelines of the American College of Sports Medicine in regard to:
    1. The scheduling of practices at various heat/humidity levels.
    2. The ratio of workout time to time allotted for rest and hydration at various heat/humidity levels.
    3. The heat/humidity levels that will result in practice being terminated.
b. Football Only: Acclimatization and Re-Acclimatization (prior to October 1st)
    1. Acclimatization
        a. Football practice may begin five consecutive weekdays prior to the start date for football.
            1. In the first five days of practice for any student, the practice may not last longer than two (2) hours, and the student may wear no other protective football equipment except helmet and mouthpieces. NOTE:
                a. The time for a session shall be measured from the time the players report to the practice or workout area until they leave that area.
                b. During acclimatization practices, teams may hold a walk-through as long as there is at least a three-hour break between the two activities.
    2. Re-Acclimatization – Required for any athlete who misses five (5) consecutive days of practice/games for any reason.
        a. Day 1: 1.5 hours conditioning - helmets only
        b. Day 2: 2 hours practice - helmets only
        c. Day 3: 2.5 hours practice with helmets and shoulder pads
        d. Day 4: 2.5 hours practice with full pads
        e. Day 5: 2.5 hours practice with full pads or play a game
c. A scientifically-approved instrument that measures the Wet Bulb Globe Temperature must be utilized at each practice (prior to October 1) to ensure that the written policy is being followed properly. WBGT readings should be taken at a minimum of every 30 minutes, beginning 30 minutes prior to the start of practice. All WBGT monitors shall be calibrated, at a minimum, every two (2) years or earlier if recommended by the manufacturer.

WBGT	ACTIVITY GUIDELINES AND REST BREAK GUIDELINES
Under 82.0	Normal Activities - Provide at least three separate rest breaks each hour with a minimum duration of 3 minutes each during the workout.
82.0 - 86.9	Use discretion for intense or prolonged exercise; watch at-risk players carefully. Provide at least three separate rest breaks each hour with a minimum duration of 4 minutes each.
87.0 - 89.9	Maximum practice time is 2 hours. For Football: players are restricted to helmet, shoulder pads, and shorts during practice, and all protective equipment must be removed during conditioning activities. If the WBGT rises to this level during practice, players may continue to work out wearing football pants without changing to shorts. For All Sports: Provide at least four separate rest breaks each hour with a minimum duration of 4 minutes each.

90.0 - 92.0	Maximum practice time is 1 hour. For Football: no protective equipment may be worn during practice, and there may be no conditioning activities. For All Sports: There must be 20 minutes of rest breaks distributed throughout the hour of practice.
Over 92.0	No outdoor workouts *including walk throughs*. If practice has not started, delay the start of practice until a cooler WBGT level is reached.

d. Practices are defined as: the period of time that a participant engages in a coach-supervised, school approved sport or conditioning-related activity. Practices are timed from the time the players report to the practice or workout area until players leave that area. If a practice is interrupted for a weather-related reason *(lightning, etc)*, the “clock” on that practice will stop and will begin again when the practice resumes.
e. Conditioning activities include such things as weight training, wind-sprints, timed runs for distance, etc., and may be a part of the practice time or included in “voluntary workouts.” Conditioning activities are not permitted to be used as punishment.
f. *A walk-through is a part of the practice time regulation*, and may last no longer than one hour. This activity may not include conditioning activities or contact drills. No protective equipment may be worn during a walk-through, and no full-speed drills*, or running activities* may be held. *Note: A maximum of two (2) practice sessions may be held in the same day. When multiple sessions are held, the maximum practice time is extended to five (5) hours. Sessions must be seperated by a three (3) hour rest break in a cool environment and this rest break cannot included weightlifting or conditioning. When a double session practice day occurs, the following practice day must be a single session day. (Football contact guidelines must be followed).*
g. Rest breaks may not be combined with any other type of activity and players must be given unlimited access to hydration. These breaks must be held in a “cool zone” where players are out of direct sunlight.
h. When the WBGT reading is over 86, ice towels and spray bottles filled with ice water should be available at the "cool zone" to aid the cooling process AND cold immersion tubs must be available for the benefit of any player showing early signs of heat illness. In the event of a serious EHI, the principle of “Cool First, Transport Second” should be utilized and implemented by the first medical provider onsite until cooling is completed (core temperature of 103 or less).

2.68 GHSA Concussion Policy and SB 60, Sudden Cardiac Arrest Prevention Act

a. GHSA Concussion Policy: In accordance with Georgia law and national playing rules published by the NFHS, any athlete *or game official* who exhibits signs, symptoms or behaviors consistent with a concussion shall be immediately removed from the practice or contest and shall not return to play until an appropriate health care professional has determined that no concussion has occurred. (NOTE: An appropriate health care professional may include: licensed physician (MD/DO) or another licensed individual under the supervision of a licensed physician, such as a nurse practitioner, physician’s assistant, or certified athletic trainer who has received training in concussion evaluation and management).
    1. No athlete *or game official* is allowed to return to a game or practice on the same day that a concussion (1) has been diagnosed OR (2) cannot be ruled out.
    2. Any athlete diagnosed with a concussion shall be cleared medically by an appropriate health care professional prior to resuming participation in any future practice or contest. The formulation of a gradual return to play protocol shall be a part of the medical clearance.
    3. Any athlete who has been diagnosed with a concussion must fully return to school (if in session) for a full day prior to returning to practice.
    4. Each school will be responsible for monitoring the participation of its coaches in the concussion management course, and shall keep a record of those who participate.
    5. Each school must distribute to every athlete and his/her parent/guardian an information sheet that includes: the dangers of concussion injuries, the signs/symptoms of concussion, and the concussion management protocol outlined in this by-law. This sheet must be signed by the parent/guardian of each athlete and a copy kept on file at the school.
b. Any student-athlete who has sustained and has been diagnosed with a traumatic head injury (concussion), must follow a minimum of a 5-step return-to-play protocol. Recommendation for this RTP is based on an athlete completing the following return-to-sport strategy once they have become “symptom free” as determined by an appropriate healthcare professional. A minimum of 24-48 hours of both physical and cognitive rest must take place once the diagnosis is made:
    Level 1: Activity – “activities of daily living” that do not cause symptoms to re-occur (gradual return to school)
    Level 2: Activity – Light aerobic activity such as walking or stationary bicycle (at a low pace with no resistance)
    Level 3: Activity - Running drills, sport-specific activity without head impact
    Level 4: Activity – Intensity of training drills may be increased. Limited practice with non-contact drills. Progressive resistance training may begin.
    Level 5: Activity – Full medical clearance by a healthcare professional, unrestricted training activities including contact drills may begin
    Level 6: Activity – Unrestricted participation to sport
    A minimum of 24 hours must take place before progression to the next level.
c. SB 60, Jeremy Nelson and Nick Blakely Sudden Cardiac Arrest Prevention Act: In accordance with Georgia law:

1. Each school must distribute to every athlete and his/her parent/guardian an information sheet that includes: the Early Warning Signs, How to Recognize Sudden Cardiac Arrest, and Learn Hands- Only CPR outlined in this by-law. This sheet must be signed by the parent/guardian of each athlete, each athlete and a copy kept on file at the school.
2. Each school must hold an informational meeting twice per year regarding the symptoms and warning signs of sudden cardiac arrest. At such informational meeting, an information sheet on sudden cardiac arrest symptoms and warning signs shall be provided to each student's parent or guardian. In addition to students, parents or guardians, coaches, and other school officials, such informational meetings may include physicians, pediatric cardiologists, and athletic trainers.

2.69 Legal practice dates are established for each activity (see the calendar at the beginning of this publication), and schools shall not conduct or allow an illegal practice.

a. The beginning of each GHSA school year is designated as August 1st. The end of the GHSA school year is designated as when an individual school ends its classes in the Spring.
b. Illegal practices are defined as practices involving five or more students participating in any extracurricular activity in the presence of, or under the direct or indirect supervision of any coach of the school (including a community coach). At any given point in time, only one (1) coach in a sport may work with up to four (4) athletes in skill-building drills.
    1. Any practice occurring after the beginning of the school year and before the opening of the designated season is an illegal practice.
    2. Any practice occurring after the end of the season for that team and before the end of the school year for students in that school is an illegal practice.
    3. During the summer (i.e., between the ending of one school year and the beginning of the next) the only restrictions on practices and competition are that all activities must be strictly voluntary, and two (2) "Dead Weeks" must be observed, as follows: Schools are prohibited from participating in voluntary workouts, camps and/or clinics, weight training or competitions during the week (Monday through Sunday) beginning with Memorial Day in May, AND the week (Monday through Sunday) in which the Fourth of July falls each year.
    4. It is illegal for a team to go to a competitive or instructional camp or clinic during the school year.
        a. If the event is held out of season, it would constitute an illegal practice.
        b. If the event is held in-season, it would involve illegal coaching.
        c. Boys and girls teams in the same sport are considered the same activity.
        d. This prohibition does not apply to the summer months.
    5. Neither coaches, former coaches (including community coaches), nor any other school personnel shall suggest, require, or otherwise attempt to influence students to participate in or practice for a sport outside the GHSA-designated season. (NOTE: This would prohibit requiring any student to participate in one sport in order to be allowed to try-out and/or play another sport at his school).
    6. The following activities are examples of illegal practices:
        a. interscholastic scrimmages or practice competitions not in compliance with By-Law 2.62e;
        b. practices involving alumni or students who presently are not eligible at the member school at any time in the school year;
        c. practices against a non-school team at any time in the school year;
        d. practices of any kind outside the season designated by the GHSA.
        NOTE: Free Style and Greco-Roman Wrestling are considered to be the same sport as Folk Style (high school) Wrestling and are subject to GHSA rules regulating illegal practices.
    7. Coaches are allowed to be spectators (in the stands) or "fellow competitors" at non-school events out of season as long as no coaching occurs.
    8. Schools found guilty of having illegal practices will be subject to penalties that may include a fine, warning, probation, and/or suspension by the GHSA Executive Director.
c. A GHSA coach (certified teacher or community coach) may not coach a non-GHSA team in a competitive setting during the school year that includes any player(s) who participate in the sport he/she coaches at the member school. EXCEPTION: In a situation in which the child or step-child of the coach is the only player on a non-school team from the coach's school, the coach would be exempted from this rule.

2.70 - SPORTSMANSHIP

2.71 GHSA-member schools are required to conduct all relationships with other schools in a spirit of good sportsmanship.

a. It shall be the responsibility of a member school to use every means at its disposal to impress upon faculty, students, team members, coaches, and spectators the values of sportsmanship in preparation for the management of interscholastic contests. Contest officials have the authority to have any and all individuals removed from the confines of the contest whose behavior has become a distraction and/or hindrance to the administration of the event. This may include, but is not limited to, verbal and visual gestures.
b. The Executive Director shall have the authority to assess penalties against schools and/or coaches for conduct unbecoming a professional educator or coach committed by coaches or other school personnel at GHSA events. Penalties against schools may include fines, probation or suspensions; and penalties against coaches and other

school personnel may include suspension from GHSA events.

c. It shall be the responsibility of the home or host school to take the following precautions at all interscholastic athletic events
    1. Take proper steps and precautions to insure crowd and spectator control, including having an administrator (or designee) from the host school to function as “Game Manager” at all GHSA sanctioned events. EXCEPTIONS: Golf and Tennis.
    2. Take steps to insure the comfort and security of all players, coaches, and officials.
    3. Have in place sufficient security personnel to handle any crowd-control problems that might reasonably be expected.
    4. Security escorts must be provided to game officials by the host school at all GHSA sanctioned contests, before, during and following the contest - including to their vehicles.
    5. Provide a safe and secure changing area for contest officials, free from traffic by school staff, students and spectators.
d. Each school must develop a plan to handle fight situations that may occur during an athletic contest.
    1. Attention must be given to keeping substitutes in the bench areas throughout the fight, and to keeping spectators away from the competitive area.
    2. Schools whose substitutes leave the bench area to go to the area of a fight will be fined by the GHSA Executive Director.
    3. All players who are involved in a fight and any substitutes who leave the bench area during a fight or potential fight and are ejected from the current contest, will be subject to the sit-out rule.
    4. The GHSA office may review film to determine participants in a fight situation, or to determine athletes leaving their bench to go to a fight, or to verify the correct number worn by a player in either of these situations. Note: penalties may then be levied, modified or changed based on this film review.
e. Players and coaches are expected to exhibit good sportsmanship before, during and after a contest, even if the game officials do not have jurisdiction. Behaviors such as taunting, fighting, etc., are forbidden.
f. No coach may remove his/her team from competition before the end of the contest unless it is done in accordance with the playing rules of that sport.

2.72 Any player, coach, or team attendant who is ejected from a GHSA contest shall be suspended from all levels of competition (i.e., varsity or sub-varsity) in any sport or activity (regular season or playoffs) until the period of suspension has expired. NOTE: Ejection penalties must be served at the next contest regardless of whether or not the school has received notice from the GHSA office by that time.

a. Ejections are based on judgment calls by a contest official and are not reviewable or reversible.
b. A coach shall have no role nor be in attendance at pre-contest warm-ups or activities, and shall not be in uniform in attendance at contests until the period of suspension has expired.
c. A player or team attendant may not be on the competitive area nor in the team bench area during any contest until the period of suspension has expired, but is allowed to participate (not in uniform) in Senior Night recognition.
d. The period of suspension resulting from an ejection will expire as follows:
    1. Football: after the individual has been withheld from the next-scheduled game at the level at which the ejection occurred (and all contests at any other level).
    2. Soccer:
        a. One-Game Sit-out:
            1. Two yellow cards in the same game

    3. Lacrosse players who are ejected or foul out will sit out as follows:
        a. BOYS: Any player who fouls out for the accumulation of personal foul penalty time will sit out the next scheduled game. Any player or coach ejected for unsporting behavior or violent conduct will sit out the next two games.
        b. GIRLS: Any player receiving a second yellow card is suspended from further participation in the game. She must leave the field and enter the penalty area for two minutes of elapsed playing time and no substitute may take her place during that two-minute period. Any player or coach given a red card for unsporting behavior or violent conduct will sit out two (2) games.
    4. Track and Field: after the individual has been withheld from the next scheduled contest. NOTE: All allegations of unsporting behavior must be referred to the “Jury of Appeals” for a final resolution on disqualification. A report must be submitted to the GHSA office in the event of a disqualification.
    5. All Other Activities: after the individual has been withheld from the next two (2) scheduled contests at the level at which the ejection occurred.
e. To satisfy the penalty of the sit-out game(s), those games must have been scheduled at the time of the ejection, and must be played to completion.
f. Penalties for ejections of a coach or player for unsporting acts shall be:

1. First Ejection: Coach - $250.00 fine plus penalties as per each sport's by-laws. Player: Completion of the "NFHS Sportsmanship Course" online plus penalties as per each sport's by-laws.
2. Second Ejection: Coach - $500.00 fine plus penalties as per each sport's by-laws; and suspension until completion of the "NFHS Sportsmanship Course" online. Player: $200 fine plus penalties as per each sport's by-laws. 5. Penalties imposed by the GHSA Executive Director may be appealed as described under Section 9 of Article IV, in the GHSA Constitution.

g. If the ejection occurs in the last game of a season, the penalty carries over to the first game of the next sport in which the student or coach participates (even if the ejectee transfers schools).
h. When a player or coach is ejected from a pre-season scrimmage (i.e., a practice game) in any sport, the school shall be fined a minimum of $250 and there will be no sit-out penalties imposed.
i. Game Incident Reports are due within 24 hours of the contest, and are to be submitted via the GHSA electronic reporting program.

2.73 Any student or coach who intentionally injures, intentionally attempts to injure, or confronts physically another student, coach, official, spectator, or other person immediately before, during, or immediately after any GHSA-sponsored activity, may be fined (coach) or declared ineligible to participate in future GHSA activities by the GHSA Executive Director. NOTE: The notice, hearing, and appellate procedures set forth in the GHSA Constitution shall be applicable to such rulings.

2.74 Coaches, administrators, contest officials or players are not to make comments in the media or on any form of social media that are critical of officials and/or their calls in a game. Penalties that could be imposed by the GHSA Executive Director include fines and/or suspensions.

2.75 The use of fireworks at any GHSA-approved event shall be in strict compliance with the licensing and application procedures of Georgia law and under permit of the probate court in which the event is held.

2.76 Artificial noisemakers are allowed at outdoor events with the exception of air horns, whistles, or other similar devices that simulate the sounds of clock horns or officials' whistles. At any time that a national playing rule prohibits artificial noisemakers in a sport, that rule will supercede this by-law.

2.77 The officials' dressing area is "off limits" to school staff, students and spectators one hour prior to game time, during the duration of the contest, and until the contest officials depart the facility.

2.78 Unsporting acts committed by players or coaches will be handled as follows:

a. If the inappropriate behavior occurs after the expiration of a contest, but while the officials still have jurisdiction as referenced in the NFHS rule book, the official may eject the player or coach and published penalties for ejections will apply.
b. If the inappropriate behavior occurs after the officials' jurisdiction has ended, but the official(s) witness the behavior, a Game Report shall be filed with the GHSA office and administrative penalties will be assessed against the school of the guilty parties by the Executive Director.
c. In the case of repeat offenders of unsporting acts, the Executive Director will be authorized to levy penalties against the school of the guilty parties regardless of whether or not an ejection has occurred.

The Executive Director shall have the authority to postpone GHSA events and to direct the procedure for rescheduling when deemed necessary.

a. The GHSA requires the host school to provide lightning detectors at all outdoor athletic activities.
    1. When a lightning detector indicates a dangerous situation, the game manager will notify the head official. At that point, the official will suspend play and all participants and fans will go to a place of safety (NOTE: If officials spot lightning before being notified, they may suspend play).
    2. The contest may resume in accordance with procedures published in the NFHS Rules Book.
b. Postponed games are games that are terminated before they actually begin because of weather problems, emergency situations, or mechanical failures.
    1. The host school should notify the opposing team and officials as early as possible when a contest is postponed.
    2. The host school is responsible for determining whether an event is to be postponed until the time that game rules turn that responsibility over to game officials except when there is a written contract for that game. When there is a contract, there must be an agreement between the competing schools about the postponement
    3. School personnel will agree on the rescheduling of the contest.
c. Suspended and/or Terminated Games - When game officials suspend a game due to weather issues, the following procedures are in place:
    1. For all Baseball, Softball, Lacrosse, Soccer and JV Football contests involving teams of different classifications, there will be up to a two-hour delay (cumulative) before the contest will be terminated.         b. If the Lacrosse, Soccer or JV Football contest is terminated after it has reached the halfway point, the score at the point of termination is final.
    2. For Lacrosse and Soccer contests involving teams of the same classification, all contests will be played to completion. (Note: The team that is behind may choose not to resume the contest
        a. There will be no mandatory two-hour delay.

d. The team that is behind may choose not to resume the contest at a later date.

3. All scheduled GHSA varsity football games that have been either interrupted or postponed must be played to completion. Schools must decide when completion will take place in a timely manner. The team behind in the score of an interrupted game has the option not to complete the game and the score will be recorded as it was at the point of interruption.
    a. There will be no mandatory two-hour delay.
    b. The 11:30 curfew will be waived.
4. Golf and Tennis procedures will be dictated by USGA and USTA rules.
5. Cross Country and Track and Field will not use the two-hour delay rule.

d. Paying Officials in shortened/postponed games:
    1. In the event a scheduled contest cannot be started due to weather-related conditions, officials who have arrived at the contest site will be paid one-half the contest fee in addition to the travel allowance.
    2. If a game is interrupted by weather or darkness before it becomes a completed game, the officials will be paid one-half the regular game fee.
    3. If a game is an official game at the point of interruption, the officials will be paid full fees.
    4. Beyond these conditions, no officials group(s) may hold the schools responsible for weather-related postponements.

2.94 All championship contests that end in a tie will have that tie resolved by means of the procedures that are used to resolve ties in preceding rounds of the playoffs.

2.95 Absence of Officials: In the unlikely event that game officials do not arrive for a contest, both schools should agree on one of the following procedures:

a. Delay the game until a new set of officials can arrive;
b. Agree to play the game on another date except a Sunday;
c. Use registered officials who might be in attendance at the contest;
d. Use coaches or school personnel from both schools;

b. The GHSA is not involved in either sanctioning All Star games or overseeing the selection process.
c. Coaches who are going to coach their own underclass players in an all-star game must report this to the GHSA. (NOTE: All provisions of by-law 1.70 concerning recruiting and undue influence remain in effect.)

Each region, either through its governing board or in general session, shall have the authority to:

3.11 Make rules, which do not violate GHSA regulations, in order to successfully operate the region organization.

3.12 Assess mandatory membership dues in order to operate the region organization.

3.15 Set and assess fees for region contest entrants to pay expenses for the contest, and to pay the expenses of region representatives to the State contest.

3.16 The region, not the host school, has the copyright privileges to all region tournament (post regular-season) events, and the region should set and assess any fees charged for broadcasting or telecasting region tournament contests or events.

3.17 Pay its Secretary-Treasurer a stipend.

3.20 - REGION RESPONSIBILITIES TO STATE ASSOCIATION

3.21 Certify the winners in all region meets and/or tournaments to the GHSA Executive Director within the time limits specified in the By-Laws for each event.

NOTE: **Gross receipts** are defined as total income before any charges such as stadium fees, officials, etc., have been deducted.

3.32 Regions (or Areas) that fail to follow stated procedures or deadlines may be assessed a fine for each violation.

BY-LAW 4.00 - STATE

4.10 - GHSA ADMINISTRATIVE RESPONSIBILITIES TO MEMBER SCHOOLS

4.11 The GHSA Executive Committee shall meet bi-annually to review By-Laws, policies and procedures of the Association, and to make additions, deletions, and modifications as necessary.

a. The GHSA Executive Committee and Board of Trustees shall, from time to time, adopt whatever rules of procedure are deemed appropriate. The Chair of the meeting shall be authorized to conduct all such meetings in an orderly fashion subject to any changes in those procedures otherwise adopted by a majority vote of members present and subject to the following:
    1. “Pass” votes are not considered “No” votes
    2. Any Committee member may request a roll-call vote on any question before the Committee without the requirement of a majority vote.
    3. Members of the Executive Committee may propose new or amended rules, by-laws or actions to be taken or considered by the Executive Committee during the new business portion of Executive Committee meetings only if such proposal has first been submitted to the Executive Director for inclusion on the agenda for the meeting not later than five calendar (5) days prior to the date of the Executive Committee meeting. Provided however, that if the Executive Director certifies any proposal that has not been timely submitted to be of an emergency nature or to be necessary for the orderly transaction of the business or activities of the GHSA, then he shall have the authority to bring such proposal to the floor of the meeting for consideration of and action by the Executive Committee.
b. The GHSA Executive Committee shall consider recommendations at its bi-annual meetings from member schools and/or region secretaries that are submitted in writing to the GHSA Office at least thirty (30) calendar days prior to the meeting.

4.12 The GHSA Office shall maintain an official record for all dues and fees received from any source, and shall provide for an annual audit of finances by a firm of auditors or a certified public accountant.

d. Contracts for events.
e. Financial statements for hosting GHSA events.

4.14 The GHSA Office shall provide an annual calendar that notes:

1. the beginning and end of the season for all activities;
2. dates for Region, Area and/or State Playoff contests and/or tournaments

4.20 - RECLASSIFICATION (For the 2024-26 cycle)

4.21 Every two (2) years, member schools will be assigned a “Reclassification Student Count” and placed in classifications for competition by one of the following procedures:

a. The Reclassification Student Count for Public schools will be based on the FTE count for students in Grades 9-12 provided by the Georgia Department of Education for the fall semester of the second year of the current reclassification cycle.
    1. A school will be considered a single-gender school if either gender composes less than 35% of the school population.
    2. A single-gender school shall have its FTE numbers doubled for the purpose of reclassification.
b. The Reclassification Student Count for Private schools will be based on the actual head count of students in Grades 9-12 at member private schools as determined on October 1 of the second year of the current reclassification cycle.
c. The Reclassification Student Count will be based on projected enrollment numbers for all schools affected by the opening of a new school, the consolidation of existing schools or the redistribution of students within a school system that must be submitted by the system Superintendent no later than October 1 of the second year of the current reclassification cycle.
    1. Projections must be filed for the next two school years and those numbers will be averaged to get the number by which the schools will be classified.
    2. In the event that a school’s actual enrollment in the first semester of the new reclassification cycle exceeds the

projection average by 10% or more, or an existing school exceeds the projection by 5% or more AND the additional students would have resulted in the school being in a higher classification, the school shall not be eligible for post-season play in any sport for the entirety of that reclassification cycle.
3. Schools may appeal the loss of post-season competition to the Reclassification Committee and then to the full Executive Committee.

d. The Reclassification Student Count or classification placement of isolated schools will be determined by the Reclassification Committee in accordance with the "Isolation Rule."

4.22 The Reclassification Committee may utilize the following factors in reclassification decision:

a. Consideration of travel time and costs, plus time out of school for students.
b. Consideration of differences in the size of school populations.
c. Consideration of competitive balance of the schools.
d. Consideration of equitable access to playoff slots.
e. Consideration of rivalries and gate-receipt issues.

4.23 The membership of the Association shall be divided into six (6) classifications as follows:

a. Schools will be placed in classifications (according to their Reclassification Student Count) as follows:
    1. Class 6A: Largest 14% (approximately) of schools. Note: Schools may opt to play up into 6A.
    2. Class A Division 1 & Division 2: Smallest 26% (approximately) of schools. Note: Non-football playing schools will NOT be counted when calculating the schools being placed in Class A. They will be placed in appropriate regions later.
    3. The remaining schools (after 6A and Class A are populated) will be divided into four (4) approximately equal classifications (2A through 5A) with schools divided equally among the four classes at the discretion of the Reclassification Committee.
    4. When schools opt to move up in classification, only the exact number of schools at the bottom of the next class will be given the option to come down. If any of those schools opt not to come down, the GHSA office will not look further to larger schools in that class.
    5. Class A will be divided into two (2) divisions with Division 2 being comprised of the smallest approximately 50 football playing public schools. Division 1 will have the remainder of the schools.
    6. Non-public schools in Classes A, 2A and 3A will play in their assigned regions during the regular season but will then compete in a combined championship bracket of private schools only. Public schools in A-Div. 1, A-Div. 2, 2A and 3A will each have separate championship brackets. All schools in A-Div 1, 2A and 3A will be seeded into playoff brackets using an evaluation format to be determined by the GHSA office.
b. Out-Of-Zone Multiplier: Every student attending a school from outside that school's district-assigned attendance zone shall be counted as three (3.0) students when it comes to calculating that school's Reclassification Student Count. And that school shall be placed in the classification where the increased count falls. (Note: Schools compelled to play at a higher classification because of this stipulation may petition the Executive Director for stadium/arena seating waivers by August 31 each year. If granted, the waiver would allow that school to use the lesser seating requirements to comply with playoff by-laws.)
    1. The designated reclassification attendance zone for all GHSA public schools shall be that attendance zone assigned to the school by its respective school district.
    2. Member non-public and charter schools may select a public school's attendance zone within their county of residence that best reflects their student population to be their designated reclassification attendance zone (for reclassification purposes only, not for transfer eligibility. See Appendix S-R).
    3. Children of certified professionals at the high school (grades 9-12) and military active duty dependent children will not be subject to the Out-Of-Zone Multiplier even if they live outside the school's designated attendance zone.
    4. Students who entered a feeder school of a member high school in grades K-5 and remained continuously enrolled will not be subject to the Out-Of-Zone Multiplier.
    5. All member schools must submit the number of students that will be counted as Out-Of-Zone students by October 15th of the final year of the reclassification cycle.
    6. Single-gender schools will have the Out-of-Zone Multiplier applied only to the actual number of students enrolled in the school and not to their doubled enrollment figure.
    7. If a school is found to be intentionally reporting incorrect numbers, that school will be banned from participating in the state playoffs for two (2) years and must pay a fine of $2,500.
    8. A school shall be allowed to appeal its classification placement to the Reclassification Committee by filing a written appeal with the Executive Director not later than seven (7) days after notification of its classification placement, setting forth in detail why it contends the placement is unfair or unjustified, or why its assigned FTE number is inaccurate.
    9. The Reclassification Committee shall thereafter set a date for the hearing of such appeals. If the Reclassification Committee finds that the placement is unfair or unjustified, the school's placement may be modified by the Reclassification Committee. The decision of the Reclassification Committee may be appealed by the school to the Executive Committee. The Executive Committee will not consider objections from schools

regarding contested classification placements unless those schools have filed timely appeals with the Reclassification Committee.

c. Each classification will have eight (8) regions unless otherwise determined by the Reclassification Committee or the Executive Committee.
d. The Reclassification Committee shall have the authority to assign a different Reclassification Student Count or classification placement for any school that is geographically isolated within its region in order to resolve difficulties in travel and time out of class. (Football may be exempted from the isolation policy.)
    1. An individual school shall be considered to be isolated if the average distance from that school to all other schools in the region is 100 miles or more one way.
    2. The decision to place a school in a higher or lower classification will be based on a combination of factors that include travel distances and school population size.
    3. If two or three schools in a region are considered to be isolated (even if the average travel distance is less than 100 miles one way), the Reclassification Committee shall be authorized to place those schools in another classification based on travel distances and school population size.
    4. If four or more schools in a region are considered to be isolated (even if the average travel distance is less than 100 miles one way), the Reclassification Committee shall be authorized to form a subdivided region in which crossover games with the other subdivision will not be mandatory for region standing.

4.24 When the membership is divided into classifications as called for by the GHSA Constitution, the following process will be used:

a. Schools will be assigned a Reclassification Student Count by the GHSA office.
b. Member schools will be able to review and verify their assigned Reclassification Student Count on the GHSA web site. When there is a major discrepancy between the school's count and the count determined by the GHSA staff, the school may appeal to the Executive Director to reconsider the count. The Executive Director's decision shall be final.
c. When enrollment figures have been verified, schools will be placed in the proper classification and schools will have seven (7) calendar days to file a request to play at a higher classification.
    1. A request to move to a higher classification must be submitted over the signatures of the school's administrative authorities (i.e., the Principal and Superintendent).
    2. A school that transfers to a higher classification must remain in the higher classification until schools are next reclassified on a statewide basis.
d. The GHSA office will initially place schools in regions and the Reclassification Committee will then meet to ratify or modify those placements. The decisions will be sent to the member schools after that meeting.
    1. There will be a mandatory subdivision of each region containing ten (10) or more schools by the Reclassification Committee (Exception: Cheerleading).
    2. The Reclassification Committee may subdivide a region consisting of less than ten schools if there is an extremely large geographic area within that region.
    3. For football, the Reclassification Committee will require crossover games between teams in the subregions to guarantee a minimum of 70% of the season schedule unless there are isolation issues.
    4. For all other sports, subdivided regions must guarantee member schools a minimum number of contests within the region equal to 50% of the season schedule unless there are isolation issues.
    5. Any region subdivided because of geographic considerations may vote to play a full region schedule based on a two-thirds approval of all Principals in the region.
e. Member schools will have seven (7) calendar days after notification of assignment to request a lateral move to another region, by filing that request with the Executive Director.
    1. A request to have a lateral transfer must be submitted over the signatures of the school's administrative authorities (i.e., the Principal and Superintendent).
    2. The request will be heard at a meeting of the Reclassification Committee and representatives from both regions shall be notified of the request, and may attend the meeting to voice their approval or state their concerns about such a move.
    3. A school that receives a lateral transfer must remain in that region until schools are next reclassified on a statewide basis.
    4. At a meeting thereafter, the Executive Committee shall hear any appeals regarding lateral transfers by the Reclassification Committee. Representatives from both regions involved in the appeal shall be notified, and may voice their approval or state their concerns about the appeal.
    5. Thereafter, the Executive Committee will approve, disapprove or modify the final reclassification and region alignment plan. Notwithstanding any other provision hereof, all member schools are notified that at a meeting of the State Executive Committee to finally approve reclassification, isolation status, lateral transfers, and assignment to regions, any member school may be assigned or transferred to different classifications or different regions other than those previously assigned. There shall be no further appeal of such assignment or transfer either by the member school assigned or transferred at such meeting, or by any other school which objects to such assignment or transfer. Member schools desiring to be heard on those issues are directed to be in attendance at the meeting of the State Executive Committee as all action taken in connection with reclassification and region assignment will be final and no further appeal will be allowed.

f. Member schools may begin scheduling contests for the new reclassification cycle as soon as the final vote has been taken, the membership notified, and any region subdivisions finalized.
g. When a majority vote is used in a subdivided region to determine scheduling and the process for selecting teams for post-season play, one or more schools may file a “minority report” with the Executive Director if the approved procedure is alleged to be unfair to all schools in the region. If the Executive Director believes that there is unfairness with the chosen procedure, the Reclassification Committee will meet and make a final decision on such matters. No further appeal will be allowed.

4.25 The following scheduling policy will be in effect for public schools entering the GHSA at the beginning of the second year of the reclassification cycle:

a. In sports where the region has two-year scheduling, the new school will not be able to play a complete region schedule at the varsity level. In those sports, the school could play a varsity non-region schedule or a JV schedule.
b. In sports having year-to-year scheduling, the new school will have full membership once it has been assigned to the new region by the Reclassification Committee.
c. In sports that have a region tournament to advance to post-season play, the region may allow a new school to accept a low seed in the tournament even though it did not play a complete region schedule. That is a decision made by the region.

4.26 Charter schools that apply for membership after the reclassification process has been completed will be accepted as schools playing sub-varsity schedules and/or non-region varsity schedules for the next reclassification cycle.

4.30 - STATE ASSOCIATION CONTEST/EVENT RESPONSIBILITIES

4.31 The Executive Director shall determine the activities in which a State Tournament, Playoff, and/or Meet are to be held.

a. In order for a new sport to have a state competition to determine a state champion, the sport or activity must show significant growth and financial stability for a period of three (3) years.
b. The GHSA Executive Director will appoint a committee and a sport liaison to monitor the sport.
c. In order to have a State Championship in an Open Meet Event, there must be a minimum of thirty-two (32) teams participating and this will be determined with the “Intent to Participate” form that is submitted to the GHSA office the preceding school year (with the exception of coed cheerleading, which has a later deadline). Schools which submit this form and then withdraw from that sport will be fined.

    b. Play during another week when the school does not have another scrimmage or regular season game scheduled. (Note: No scrimmage game may be played after a school's first varsity contest.)
3. Schools which participate in Spring Practice are allowed to play a spring game/scrimmage with another school, or a jamboree with three teams playing a half against the other two teams, in place of their last (10th) practice of the spring (Note: Restrictions under by-law 2.62 (f-2) & (f-3) will apply). *Schools may use an OTA format in lieu of a scrimmage/jamboree if they so choose. This format may utilize up to 4 schools but must have the same time restraints as a traditional scrimmage/jamboree.*
4. A football coach on the payroll of one school district, but under contract to another school district for the following year, may help with spring football at the new school, if the arrangement is satisfactory with both systems.
5. Students enrolled in grade 8 in a middle school or junior high school that is a feeder school to the high school may participate in Spring Practice at that high school.
6. No student (eighth grade or above) may participate in more than ten (10) days of Spring Practice and may participate for no more than one (1) school.

I. In case of a game being terminated in the first half (suspended game), By-Law 2.93-c must be followed. NOTE: All varsity football games must be played to completion. Any interrupted game must be replayed from the point of interruption. The school that is behind in the score may choose not to continue the game and the score will be recorded as it was at the point of interruption. NOTE: Teams will not be allowed to play two football games in the same week, except when making up a suspended game with the permission of the Executive Director.

J. During warmups before the game and at halftime there shall be a division of the field, and neither team shall enter the other team's portion of the field. That division shall be as follows:
    1. Before the game: each team shall occupy the space from their own 45-yard line to the endline of their goal line. Neither team shall occupy the area between the 45-yard lines. EXCEPTION: When kicking, each team shall have the area between the opponent's 45-yard line and kicking team's end zone in the side zone area on the same side of the field as their bench. Kickers shall kick toward their end zone.
    2. Re-entering the field before the game and at halftime: each team shall have the portion of the field between their bench and the near edge of each goal post - i.e., field divided lengthwise.

K. *Overtime is mandated for all games between schools due to the implementation of the Post Season Ranking System.*
    1. See procedures below:
    2. Overtime games are exempt from the 11:30 p.m. GHSA curfew.

L. When there is a competitive imbalance between teams, the coach of a team trailing by 30 points or more at halftime may choose to play the second half with a running clock. Quarters will remain at 12 minutes.
    1. If the coach does not exercise the option of the running clock, the third quarter will be played with regulation timing.
    2. If the point differential reaches, or remains, 30 or more points during the third quarter, the clock will still run according to rule for the remainder of the third quarter, but the fourth quarter will have a running clock mandated.
    3. A running clock means the clock will be stopped only:
        a. after a touchdown and until the ball is kicked off.
        b. during deliberations for penalty administration.
        c. during charged timeouts or official's timeouts
    4. A game that is reduced in time by use of a running clock shall constitute a "completed" game to meet other by-law considerations.

GHSA OVERTIME PROCEDURE

1. There will be a 3-minute intermission between the end of regulation play and the coin toss to start the overtime procedure.
2. The captains will meet for the coin toss, and the winner may choose one of the following:
    a. Be on offense first
    b. Be on defense first
    c. Choose the end of the field on which to play
3. The ball is placed on the 15-yard line and the offense keeps the ball until:
    a. The ball is turned over on downs (NOTE: The team on offense can gain a first down.)

b. The defense gains possession of the ball (ball is dead immediately)
c. The offense scores a touchdown or field goal
d. The offense misses a field goal

4. After the first offensive team completes its possession, the opposing team gets its opportunity from the 15-yard line.
5. If the game remains tied after each team has had an offensive possession, there will be a 2-minute intermission and the team that lost the first coin toss has the first option for the second possession.
6. For each additional overtime period (i.e., an offensive possession by each team) the original coin toss options are alternated.
7. Beginning with the second overtime period, a team must attempt a 2-point try after a touchdown.
8. *Subsequent to the first two series from the 15-yard line, if the game remains tied, the ball will be placed on the three-yard line and teams will alternate two-point conversions until the tie is broken.*
9. Each team is allowed one timeout per overtime period. Timeouts may NOT be carried over from regulation play.

REGION PROCEDURES:

A. To qualify for championship consideration in a region or sub-region, a school must play a minimum number of games with schools in its region as determined by the region and the GHSA Reclassification Committee.
   1. In any region or sub-region in which there are six (6) or less schools, if each school plays two (2) games, both games will count as region games. In any other case where two (2) schools have played more than once during the regular season, only the first game scheduled shall count in the region standings.
   2. Any school playing a non-region or non-sub-region schedule (i.e., not in consideration for a region championship) will not have its games count for or against any opponent.

B. The GHSA Executive Director, upon presentation of evidence to show that a school cannot secure the required number of games in a region or sub-region, may authorize each school to substitute any number of games in any classification or region to qualify for championship consideration. NOTE: A request for substitution of game(s) must be submitted prior to September 1.

C. In Classes 1A-2, 4A, 5A and 6A, four (4) representatives from each region will enter the post-season playoffs.
   1. Each region will determine the way to designate the four representatives and their placement in the region (i.e., first place, second place, third place and fourth place).
   2. In case there is a tie between teams and the region does not have a different written tie-breaker plan, the following procedures will be used (NOTE: The use of mini-games to break ties is no longer allowed):
      a. If two teams tie, and one of the teams has defeated the other in a regular schedule region game, the winner shall have the higher placement. Three or more tied teams shall first be considered in sets of two-way ties. NOTE: If three or more teams are tied, use head-to-head record among the tied teams to break ties for seeding. Only utilize points to break ties among teams when the ties are a perfect triangle, with each team having the same record among the tied teams.
      b. If two teams tie and the tied teams split or have not played each other in a region game (no round robin), the team with the greater sum of winning margin using the following Point System, shall have the higher placement.
      c. If more than two teams remain tied after applying “a” above, the following Point System shall be used to eliminate all but two teams. Tabulate the sum of the winning margins of each team’s region games as indicated in the following:
         POINT SYSTEM:

         1. If the margin of victory is more than 13 points, only 13 points shall count.
         2. Losses shall be tallied as 0 (zero) points.
         3. Forfeited games: Offended teams shall receive 13 points when tabulating the sum of the winning margins for breaking region ties.

      d. After tabulating the sum of the winning margins, all teams except the two (2) with the greater sums shall be eliminated, and the selection process shall begin again with paragraph “a” above.
      e. If teams remain tied after the above procedures are applied, the playoff representatives shall be determined by a coin toss. The coin toss, supervised by the REGION OFFICERS, shall be used to eliminate all but two (2) teams, and then the process shall begin again with paragraph “a” above.
      f. In the event the region is eligible for more than one playoff representative, each subsequent playoff representative shall be chosen by reapplying the procedure above.
      g. All regions will use the adopted procedures for breaking ties that occur in the order of standings when round robin schedules are completed.

D. In Classes 1A-1, 2A, 3A and Private (1-3) Playoff Qualifiers and Seedings will be determined by the GHSA Post Season Ranking Formula (PSRF). Refer to Appendix PSR in the Constitution and By -Laws for formulas, explanations and examples.

STATE PLAYOFFS:

1. In ALL Rounds except the Finals, the higher-seeded team will host. In the Quarterfinal Round in Classes 1A-2, 4A, 5A and 6A, if both teams have the same seeding, a “universal” GHSA coin flip (see By-Law 4.39), will determine the host site.
2. In ALL Rounds except the Finals, game date and time will be set by mutual agreement. If that agreement is not possible, the GHSA Executive Director will finalize the arrangements. If an administrator does not attend the meeting at which the playoff contract is negotiated, the coach shall be authorized by the principal to negotiate and sign a binding contract.
3. In ALL Rounds except the Finals, one half of all permanent and temporary seats shall be offered to the visiting team, and it is the responsibility of the home team to regulate the seating so as to guarantee designated seating to the visiting team's supporters.

      e. The GHSA will mediate with both teams involved when there are concerns about the safety of a venue in regard to seating limitations.
      f. The higher-seeded team in the Semifinal Round will be the host team. If they do not have a stadium that meets GHSA minimum standards, they may secure a suitable site.

         4. Seating requirements for a semifinal game may be waived upon written agreement of the principals of the competing schools that the host’s stadium will be adequate and with the approval of the GHSA Executive Director.
      h. In Classes 1A-2, 4A, 5A, and 6A, if both teams in the Semifinal Round have the same seeding, the “universal” GHSA coin flip (see By-Law 4.39), will determine the host team under the following procedure:
         1. The winner of the coin flip will have the opportunity to bring its stadium up to specifications as outlined in item “g” above, or to secure a suitable stadium (if their stadium doesn’t meet GHSA specifications.)
         2. The winner of the coin flip will have until 4:00 p.m., on the Monday before the game to commit to bringing their stadium up to specifications or to secure a suitable site.
         3. If the winner of the coin flip can’t secure a suitable site, or bring theirs up to specifications, the opponent will then be awarded the home game, assuming their stadium meets requirements.
         4. If neither school meets or exceeds GHSA standards, and the winner of the coin flip can’t find a

suitable stadium or bring its stadium up to the specifications, the Executive Director will designate a neutral site.

5. *Above seating requirements apply to all Classifications for semifinal games.*

i. The GHSA will provide a supervisor at all semifinal games.

    2. The adult timekeeper will record times and provide them to the tabulator at the end of the competition, after all the judges have completed scoring the plays.
    3. Any school that exceeds its time allotment will be penalized two (2) points for each 15-second period or portion thereof per judge.
    4. The tabulator, not the judges, will deduct points for overtime.

    2. All production-related materials must be back in their pre-show positions behind the “go lines” by the end of 15 minutes. RIFLERY

GENERAL INFORMATION:

A. Air riflery is a state championship co-ed event open to GHSA schools of all classifications.
   1. Each school desiring to participate in riflery must file its intent by March 1, of the preceding school year by filing the form found on the GHSA web site (www.ghsa.net).
   2. Following notification of entry, each school will be assigned to an Area for competition that will be overseen by an Area chairperson. Teams will be notified of Area assignments when the total number of teams entering is determined.
   3. Contestants in riflery must be certified as being eligible through the GHSA Office. All rifle team athletes must have a sports physical on file at the school.
   4. Beginning and ending dates for practice and competition can be found at the front of this publication.
   5. GHSA Riflery team members may be used by JROTC programs in JROTC program competitive events. Athletes used by both GHSA Riflery programs and JROTC program competitive events must be currently enrolled in JROTC and be entered as a JROTC unit and not as a school team. They may not enter competitions or tournaments unless there is a JROTC competition category.

B. Competitions will be Open Class, which permits use of Precision or Sporter Class equipment using Precision air rifle rules. The latest edition of the "NATIONAL STANDARD THREE-POSITION AIR RIFLE RULES" (published by the National Three-Position Air Rifle Council, Camp Perry, P. O. Box 576, Port Clinton, OH 43452 - also available on website: http://thecmp.org/air/national-standard-three-position-air-rifle-rules/) will govern all GHSA matches except the following:
   1. The regular season, Sectional, and Semifinal course of fire will be the team event 4x3x10. All matches will be shoulder to shoulder. Postal matches will not be accepted. Team members will be distributed equally between relays if more than one relay is used.
   2. Except at the State Championship, Sectional, Semifinal and tie-breaker competitions, the coach may assist team members (without disturbing other athletes), during preparation, changeover and sighting periods, but may not physically assist the athletes in loading, cocking or adjusting the sights. After each of these periods, the coach must be behind the firing point.
   3. The "two scorers" referred to in National Standard Rule 8.5 will consist of a scorer from each team if outside scorers with no interest in the outcome are not used.
   4. The amount of protest period time (Rule 8.2) should be established by each Rifle Area prior to start of season or agreed upon by both coaches prior to the beginning of the match.
   5. The following safety regulations are mandatory for ALL competitions, training and practices: An adult, approved by the school, must be present at all times that students have access to rifles. Clear Barrel Indicators (CBIs) will be in all rifles when not firing. They will be inserted in the rifle when taken out of storage or cases. The CBI must visibly extend beyond both ends of the barrel when installed. The CBIs may be removed only during preparation and sighting, record firing, changeover (after athlete is in a firing position), and sighting times. They will be reinserted after each position stage and the rifle must be grounded. CBIs must be inserted anytime someone goes forward of the firing line or removes their rifle from the firing line. CBIs may be removed after the Range Officer gives the "You may discharge air downrange" command, then must be inserted after discharging air and left inserted until air rifles are placed in gun cases.
   6. Approved scoring methods are manual *or* electronic as listed in the National Three Position Air Rifle Rules. The host school determines which to use.

C. Each Area shall draw up schedules for each team in the Area.
   1. Each Area schedule must be filed with the GHSA Office.
   2. The home or host schools should fax or e-mail team and individual scores to the area chairperson by the beginning of the next day (noon or earlier) after completion of the match.
   3. Four competitors' scores comprise a team's score. Five may be used in post-season GHSA competition with the top four (4) scores counting as the team score. Areas may organize regular-season competitions as they elect in regard to the number of team members involved as long as only the top four (4) scores count as the school's team score.
   4. If a team has less than four competitors, it must forfeit the match (receiving a loss and the other team receiving a win). If both schools agree to compete with the forfeiture in place, the team scores do not count, but the individual scores from both teams will count as GHSA official individual scores and there will be no additional penalty besides the forfeiture. Forfeitures must be communicated with the opposing team before the scheduled match start. Forfeitures without extenuating circumstances will result in fines, with the fines increasing for each forfeiture without extenuating circumstances. A panel of three coaches selected by the State Coordinator will decide if extenuating circumstances warrant no fine. Decisions of that panel may be appealed to the Executive Director.
   5. Standings will be determined by won-loss results. A team may compete against only one other team in a given regular season match. Ties will be broken using National Standard Rule 8.6. If tie breaking rules are exhausted

and the match is still tied, the match will be scored as a tie and each team credited with one-half win and one-half loss. In cases of identical won-loss records, the results of their season competition against each other will determine standings. If still tied then a shoot-off match will be held.

6. Before the start of the regular season, each Area will establish structure for determining Area winners and Sectional seedings. The Area will also appoint an appeals committee to handle protests and appeals in area competitions. NOTE: Decisions by the Area Appeals Committee may be appealed to the Executive Director when it is believed that Area procedures have been violated.
7. Area competition must be completed by *February 12, 2025*. Final Area standings must be reported to both the State Coordinator and the GHSA office no later than noon on *February 13, 2025*.

RESULTS REPORTING:

B. Results of Semifinals and tie-breakers (if required to determine the two invitational Championship teams) must be reported by the day following the competition.

SECTIONAL COMPETITION:

A. The first six teams in each Area will advance to the Sectionals to be fired on*February 25, 2025*, or earlier if agreed upon by both Area chairpersons involved. SEMIFINAL COMPETITION:

All chairpersons will report the results and all individual qualifiers to the State Coordinator and to the GHSA office no later than noon *March 5, 2025*. TEAMS AND ALL QUALIFYING INDIVIDUALS MUST BE REPORTED FOR THEM TO COMPETE IN THE STATE CHAMPIONSHIP. Qualifying individuals' scores submitted by the Area Chairperson on regular- and post-season results fulfill this requirement.

STATE COMPETITION:

A. The fifteen (15) teams winning the Semifinal competitions and the two (2) teams with the highest losing scores in the Semifinals qualify to compete at the State Championship. Any ties to determine the two additional teams to advance to the championship (identical high losing scores) will be broken with another match to be fired on *March 10, 2025* or earlier if agreed upon by Area chairpersons involved. The higher-seeded team will host. If teams have the same seeding, a coin toss will determine the host site. Area chairpersons must report results of these tie-breaking matches to the State Coordinator and to the GHSA office not later than noon *March 11, 2025*.
B. Competing team members at the Championship also compete for the individual competition. All other GHSA competitors firing 292 or better in a regular season GHSA Area match or in the Sectionals, Semifinals or tie-breaker also qualify for the state individual competition if their team does not qualify. Schools with more than five competitors with the 292 or better qualification may use five of these competitors as a team plus their additional qualifiers may compete for the individual championship. Finals procedures will be used in determining the state individual standings, but will have no effect on team standings.
C. The State Riflery Championship will be held on*March 15, 2025*. The GHSA State Coordinator for Riflery is Lisa Kelley - 404-307-8041; email: lkelley1@yahoo.com.

F. Teams arriving late for a contest by thirty (30) minutes or more shall forfeit the match, and shall pay the officials unless prior arrangements are made in a timely manner, and both teams agree to start the game late or reschedule it. Consideration will also be given to emergency situations over which the traveling school has no control. The host school has the responsibility of notifying the officials of these changes.
G. A student may not participate in more than three (3) halves of soccer per day except in a tournament setting, when a player may play two full matches in a calendar day.
H. ***All soccer matches, regardless of classification(s) must be played to completion with no ties. For all region and post season matches, the overtime procedure described in item "E" later in this section will be invoked.     3. When a team trails by ten (10) or more goals at halftime, the game will be terminated.
J. Matches that are interrupted by weather or mechanical difficulties will be replayed from the point of interruption unless the team that is behind chooses not to complete the match.
K. In accordance with GHSA By-Laws, soccer coaches will be required to attend a GHSA rules clinic. Failure to do so will result in a fine for the school for each coach who does not attend.
L. Schools must enter team schedules, rosters and weekly game/meet results during the season on MaxPreps and be responsible for updates as needed. This information will support statewide media, event programs, broadcasts partners and GHSA Region Standings. Teams are encouraged to maintain team/individual statistics on MaxPreps.

REGION COMPETITION:

A. When a Region has not adopted its own tie-breaker method, the following Tie-Breaking Procedure will be used for seeding purposes:
    1. Record against all teams in the Region/Area.
    2. Winning team in head-to-head competition between schools that are tied.
    3. Goals allowed in head-to-head competition between schools that are tied.
    4. Goal differential in head-to-head competition between schools that are tied (maximum of three (3) goals per game).
    5. Goals allowed in all Region/Area games
    6. Goal differential in all Region/Area games (maximum of three (3) goals per game). Note: When figuring “goals allowed” and “goal differential” in matches decided by penalty kicks, the winning team will have one (1) goal added to its game score and the losing team will have no goals added regardless of the number of penalty kicks that were made by either team.
    7. In any step of the tie-breaking process if a three-way tie is broken so that all ties are broken, that step determines the placements. If two teams remain tied after a step is completed, revert back to head-to-head record to break the tie. If the tie cannot be broken, move to the next step.
B. If Regions/Areas sub-divide, then the same tie-breaking procedures (A1 through A7) should be used.

C. For Region/Area and State competition, if the score is still tied at the end of the second overtime period, the penalty kick procedure will be used to determine the winner.
D. Financial procedures for all Region/Area playoffs will be determined by the Region/Area. The host school is responsible for payment of officials. The admission fees for State playoffs begin immediately after Region/Area winners are determined.
E. **OVERTIME PROCEDURE**:
    1. The overtime will consist of two (2) ten-minute periods, which will be played to their entirety.
    2. A coin toss shall take place to determine which team will put the ball in play for the first overtime period.
    3. If the score remains tied following the overtime periods, a "shootout" of penalty kicks will determine the winner.
    4. The head referee shall choose the goal at which the penalty kicks will be taken.
    5. Each coach will select any five (5) eligible players (including goalkeeper) to take the kicks.
    6. A coin toss shall be held with the team winning the toss having the choice of kicking first or last.
    7. Teams will alternate kickers, and there is no follow up on the kicks.
    8. The defending team may change goalkeepers prior to each kick.
    9. Following five kicks from each team, the team with the greater number of successful kicks will be given one (1) point and declared the winner.
    10. If the same number of penalty kicks are successful for each team, each coach will select five (5) different eligible players who will kick in a "sudden victory" situation. Each team will have an opportunity to kick in each round of the sudden victory procedure.

The format for all GHSA tennis matches during the regular season, region tournaments and state playoffs shall be three (3) singles matches and two (2) doubles matches played on composition (hard) surfaces unless the competing schools agree to play on a non-composition surface prior to the match. With prior agreement of both coaches, JV squads may use a format of two (2) singles matches and one (1) doubles match. NOTE: No GHSA match at any level may be played where there are fewer than three (3) points available and any pre-match forfeitures must take place at the lowest level. No. 1 singles and No. 1 doubles may never be forfeited before a match begins.
   1. An individual player may play in either one (1) singles match or one (1) doubles match ONLY.
   2. Substitution is not permitted once a match is engaged under USTA definition. If any injury occurs during play that prevents a player from completing the match, that player defaults and the opponent is awarded the victory.
   3. Teams have the option to play a 10-point tiebreaker (see USTA rules for playing process) in lieu of a full third set during the regular-season and Region tournament by agreement of the two coaches during the regular-season and by a majority vote of the Region coaches in the Region tournament. Note: All State Playoff matches must be best of three full sets. *Note: All State Playoff matches must be best of three full sets with NO-AD scoring.*
   4. Teams may play up to three (3) matches in a day IF a 10-point tiebreaker is used in lieu of a full third set in all three matches.

F. 7-Point Tie-Breaker for Singles (Team A vs B)
   1. This is used when the score is tied 6-6 (or 8-8 in Pro-Set) in any set (1st, 2nd, or 3rd).
   2. Player A serves the first point from the right service area.
   3. Player B serves the second and third points from the left and right service areas respectively.
   4. Player A serves the fourth and fifth points - again alternating the service areas.
   5. Player B serves the next two points and ends of the court are changed between these two points.
   6. Player A serves the eighth and ninth points.
   7. After this, the serve is alternated on every two points.
   8. If the tie-breaker ends with a 6-6 score, the players change ends of the court and alternate serves until one player is ahead by two (2) points - which gives that player a set victory of 7-6.
   9. Players switch ends of the court after every six (6) points and at the end of the tie-breaker.

G. F. 7-Point Tie-Breaker for Doubles (Team A & B vs C & D)
   1. Player A serves the first point from the right service area.
   2. Player C serves the second and third points - alternating the service areas.
   3. Player B serves the fourth and fifth points.
   4. Player D serves the sixth and seventh points, and ends of the court are changed between the points.
   5. After this, play continues with the same service rotation until one team has either won seven (7) of the first twelve (12) points, or a team established a two-point margin after twelve (12) points have been played.
   6. Teams change ends of court after every six (6) points and at the end of the tie-breaker.

H. Schools must enter team schedules, rosters and weekly game/meet results during the season on MaxPreps and be responsible for

updates as needed. This information will support statewide media, event programs, broadcasts partners and GHSA Region Standings. Teams are encouraged to maintain team/individual statistics on MaxPreps.

REGION COMPETITION:

A. Each Region will determine how it will choose its top four (4) teams. *In Classes 1A-1, 2A, 3A and Private (1-3) Playoff Qualifiers and Seedings will be determined by the GHSA Post Season Ranking Formula (PSRF). Refer to Appendix PSR in the Constitution and By - Laws for formulas, explanations and examples.*
   1. The top 4 Region representatives shall be determined no later than April 18, 2025.
   2. The top four Region teams must be submitted to the GHSA no later than 9:00 a.m., on April 19, 2025.
   3. Five percent (5%) of the gross gate receipts (if admission is charged) will be sent to the GHSA, and then the Region will decide how to handle expenses and disbursements.

B. At the end of the regular season and prior to any post-season play, each coach will submit to the Region tournament director and enter electronically on the GHSA MIS web site an official playoff roster listing the singles players as Nos. 1, 2, and 3 and the doubles teams as Nos. 1 and 2, in proper order of ability (based on the integrity of the coach). This roster will be the lineup used in ALL tournament play thereafter, unless an alternate is used under the restrictions listed below. NOTE: If no Region tournament is held, the official playoff roster must be entered electronically at the end of the regular season and prior to the start of the state tournament.
   1. Stacking of one's lineup is strictly prohibited in any regular-season match, invitational tournament or state tournament match. An obvious attempt to stack a lineup (i.e., use a player or doubles team below their relative ability level on the team) may result in the immediate disqualification of the entire team.
      a. For each regular-season match, the coach will choose three players (A, B & C) to play singles and two pairs of players (D1 & D2) to play doubles that day. The best player of A, B and C must play the No. 1 position in singles and the weakest must play No. 3 singles. The best doubles team of D1 and D2 must play No. 1 doubles (Note: Points may only be forfeited beginning with the lower positions and working upward unless an injury or illness occurs after a match has begun).
      b. It is not stacking to alternate from match to match during the regular season the positions of A and B, B and C, and even A and C if the playes are of relatively equal ability. Likewise, D1 and D2 could alternate if these teams are of relatively equal ability. (c) It is not stacking if players alternate from singles to doubles, and vice versa, from match to match during the regular season as long as the singles players being used that day are listed from No. 1 to No. 3 according to relative ability, and the best doubles team being used that day plays at No. 1 doubles.
   2. Designate up to six (6) alternates on the official playoff roster to be used under the following conditions:
      a. Alternates should not be better in ability than ANY of the players listed on the playoff roster in the positions of Nos. 1, 2, or 3 singles OR Nos. 1 or 2 doubles.
      b. Alternates may be used in either singles or doubles competitions, but the same player may not be used for both in the same round of competition.
      c. Substitutions made after the official playoff roster has been submitted must be made at the lowest level of singles play with all others moving to the higher level of competition. In doubles competition, the coach has the option to place the alternate in the open slot or to place the alternate on the No. 2 doubles team and move a player from the No. 2 doubles team to the No. 1 doubles team, if the original vacancy is on the No. 1 team. A player may never be used in a position lower than his original position. NOTE: A substitution violation results in the loss of that line and not the forfeiture of the entire team match.
      d. If the original contestant(s) resumes play, everyone moves back to their original positions listed on the submitted playoff roster.
      e. A player listed as a singles player on the official playoff roster shall not switch over to doubles competitions in any later round, or vice-versa.
   3. A serious injury, illness, suspension or other conflict MAY warrant a waiver of the anti-stacking restrictions listed above. Such waivers will be considered on a case-by-case basis upon receipt of proper documentation to the GHSA office, including a letter signed by the school's principal.
   4. A school objecting to an opponent's lineup must provide documentation (newspaper articles, scorebooks, and written confirmation from other coaches) of any stacking violations.

STATE TOURNAMENT:

A. The State Tournament is considered a continuation of the Region Tournament.
   1. Tournaments will be held for both boys teams and girls teams in each classification.
   2. Trophies shall be presented to the champions and runners-up in each classification - both boys and girls.
   3. In order to host a State Tournament match beyond the region level, the host school must have available a minimum of two (2) courts. Four (4) courts is preferable.
   4. *The First 3 Rounds of the State Tournament will take place on the "home" courts of the higher seeded teams. The First Round must be completed no later than April 24, 2025 the Second no later than April 29, 2025 and Third Round by May 5, 2025.*
   5. In each round of the state playoffs, the following will apply:
      a. *Coaches will contact each other and set up a mutually agreeable time and date..*
      b. If an agreement on time and date cannot be reached, the Executive Director will set the time and date.
      c. In situations where fewer than five (5) courts are available per team match, the order of play must be as follows: No. 1 singles, No. 1 doubles, No. 2 singles, No. 2 doubles, No. 3 singles.
      d. The home team is responsible for reporting the winners and scores to the GHSA office by 9:00 a.m., the day after the

match.

6. *The State Semi-Finals and Finals will be held for both boys and girls in all classifications at the Rome Tennis Center at Berry College on May 10, 2025. The exact schedule will be posted on the GHSA web site prior to the tournament.*

B. All team matches shall be the best three of five (3 singles/2 doubles) lines. *The scoring for each line shall be 2 of 3 full sets with NO-AD scoring.*
   1. A team winning three (3) of the five matches (3 singles/2 doubles) shall be the winner.
   2. A team match is concluded as soon as three (3) points have been won, unless both coaches agree to finish all five lines.

C. Each team shall furnish five (5) cans of high-quality, heavy-duty tennis balls *in the First 3 Rounds of the State Tournament*.
   1. New balls will be used in the first team match.
   2. After the team match, the losing team will keep the balls used in that match, and the winning team takes the unopened cans of balls to the next round of competition.
   3. At the State Finals, the GHSA will supply the tennis balls.

D. *In the First 3 Rounds* of the State Playoffs, the host school shall provide a designated “site manager” to make rulings concerning sportsmanship, lateness, or other rules violations that might occur during the match. This person should be a certified USTA official, when possible, hired and paid for by the host school. In instances where a USTA official cannot be secured, a school administrator must be the replacement. *For the Semifinals and Finals The GHSA will provide the site managers and officials.*

TRACK AND FIELD

GENERAL INFORMATION:

A. Track and Field is a team championship event for boys and girls that is based on Region and *Area* competitions. *A-3A Private schools will compete in Areas to qualify for Sectionals. There will be separate Sectionals, and a State division for A-3A Private schools*. Beginning and ending dates for practice and competition can be found at the front of this publication.

B. All GHSA Track and Field meets will be run in accordance with the rules published in the National Federation Track and Field and Cross Country Rule Book with any exceptions and/or adoptions noted in this section. C. Track and Field meet requirements:
   1. There will be no interscholastic practices or exhibition meets in Track and Field.

   3. Track and Field teams may compete in one (1) indoor meet, and this meet will not count as a part of the ten (10) meets allowed per athlete provided the meet is after the date for practice to begin and prior to the date to begin regular competition.
   4. It is permissible for coaches to use “split squads” during the regular season. However, the use of split squads will count as two (2) of that school’s maximum allowed competitions.

D. Any meet involving eight (8) or more schools must be approved by the GHSA Executive Director in accordance with the process described in By-Law 2.64.

E. A competitor shall not compete in more than four (4) events, including relays. Contestants officially become competitors when they report to the clerk of the course or field-event judge for an event in which they are entered. A contestant shall not be entered in more than four events, excluding relays. If a contestant is entered in more than the allowable number of events, meet management shall scratch the contestant from the excess event(s) by following the listed Order of Events.

Uniform bottoms with logos completely around the waistband are LEGAL. Team uniforms worn must clearly identify the competitors, at a glance, as being a member of a certain team. (CLARIFICATION: Team members competing in individual events must wear clearly identifying uniforms for that team, but NOT NECESSARILY of the same design. Relay team members on the same team must wear uniforms of the same design. NOTE: The ultimate responsibility for uniforms compliance lies with the coach. APPENDIX 'A'

ALLIANCE OF GEORGIA HIGH SCHOOL ASSOCIATION AND AMERICAN ASSOCIATION OF ADAPTED SPORTS PROGRAMS

Since 2001, the GHSA has been involved in an alliance with the American Association of Adapted Sports Programs. This is a growing relationship in which both organizations are working together for the benefit of physically disabled and visually impaired students.

The Georgia High School Association and the National Federation of State High School Associations have long held the philosophy that participation in competitive activities is an integral part of the educational experiences of high school students.

While the GHSA has accommodated participation of disabled students in several sports and activities, we have not ventured into the area of facilitating participation of physically disabled students in adapted sports.

The GHSA recognizes that AAASP is the premier organization administering adapted sports, and the GHSA wishes to partner with AAASP by providing competitive activities for our physically disabled students in addition to lending our resources to their endeavors. Under the leadership of Tommie Storms and Robyn Hootselle, this organization provides tremendous opportunities in the area of adapted sports.

AAASP oversees competitions in wheelchair basketball, wheelchair track, wheelchair handball, power hockey, wheelchair football and beep baseball throughout the state of Georgia. Additionally, AAASP personnel travel throughout the United States helping schools establish and maintain athletic programs for physically disabled students.

It is important for school personnel to understand the opportunities available for disabled athletes, and to share that understanding with students in their schools. It is also important that coaches appreciate the value of athletics in the lives of disabled students, and the particular techniques involved in coaching disabled athletes.

AAASP stands ready to assist school personnel in their endeavors. For more information, please use the following contacts:

APPENDIX ‘E’

ELIGIBILITY REPORT INSTRUCTIONS

Items to which specific attention should be directed are:

1. GHSA Eligibility Form A and Form B, instructions, and other eligibility forms are provided to all member schools on the GHSA website.
2. The report submitted to the State Office becomes a permanent record. Care should be taken to have the information fully correct and complete. An error could seriously affect the eligibility of a student and penalize a school.
3. Online submission certifies that all data is correct and accurate.
4. Boys and girls may be listed on the same Form A, and more than one activity may be listed on the same Form A.
5. Once a student has been certified eligible in a given school year, it is not necessary to re-file that student in subsequent activities unless region rules specify differently. The GHSA office maintains that once a student has been reported and declared eligible for the school year, no further report is necessary for that student during the school year UNLESS his/her eligibility has been interrupted. There is no longer any need to submit a Form B for a previously-cleared transfer student. Transfer students are never listed on a Form A.
6. An eligibility report must be filed prior to the calendar date for the first possible practice in any activity. Supplemental filings may be made throughout the season. (EXCEPTION: Eligibility reports for Literary, One-Act Play and Riflery competitions are due twenty (20) calendar days before the first contest.)
7. CERTIFICATE OF ELIGIBILITY (Non-Transfer Students) - FORM A
    A. All non-transfer students will be filed online on the GHSA MIS web site.
    B. NAME: List students in alphabetical order by date of entry - ninth grade (9-10-11-12). Give the full name with the last name listed first.
    C. DATE OF BIRTH: Give the month, day, and year of the student's birth. A student whose 19th birthday was prior to May 1 of the preceding school year, is over age and not eligible to participate. You will be assisting the student if you require a birth certificate to be presented to you for verification of age.
    D. DATE STUDENT ENTERED 9th GRADE: Complete the month, day, and year the student took the first 9th grade class at any school. This is not necessarily the date the student first entered your school. A student will not be eligible for participation for more than eight (8) semesters from the date the student entered the ninth grade.
    E. TOTAL UNITS EARNED PREVIOUS SEMESTER: Show the total number of units the student earned the previous semester. In order to be eligible, (beginning with the second semester of 9th grade) the student must have earned at least 2.5 units or their equivalent the semester immediately preceding participation. Place an “E” in the Units Earned column and Total Units Accumulated column for entering ninth grade students.
    F. TOTAL UNITS ACCUMULATED: Show the total number of units the student has accumulated thus far in his high school career. To be eligible, the student must accumulate units that count towards graduation as follows:
    END OF FIRST YEAR: 5 Units
    END OF SECOND YEAR: 11 Units
    END OF THIRD YEAR: 17 Units
    Students who lose eligibility for not meeting the unit requirements at the beginning of the year may regain eligibility during the school year by accumulating the units required at the end of the semester and by passing the required number of subjects the previous semester. REMINDER: Eligibility is lost or regained on the first day of the new semester.
    G. ELIGIBILITY STATUS: This column is for GHSA use only.
8. CERTIFICATE OF ELIGIBILITY - TRANSFER STUDENTS - FORM B
    A. TRANSFER STUDENTS: FORM B MUST BE ENTERED ONLINE ON THE GHSA MIS WEB SITE. If a student has transferred to your school during the past twelve (12) months after entering 9th grade (and has not been cleared previously) complete and submit a Form B for that student. If the transfer student has been in your school one full calendar year, do not file a Form B. NOTE: Transfer students who do not meet eligibility guidelines for migrant students are eligible to participate at the sub-varsity level ONLY, provided they meet academic standards.
    B. ACADEMIC DATA: This is the same information that is required for non-transfer students on Form A.
    C. YEARS ATTENDED: List all previous schools the student attended beginning with the 9th grade.
    D. ADDRESS (PRESENT/PREVIOUS): Give full street addresses and DO NOT use post office box numbers.
    E. LIVES WITH/LIVED WITH: Use the full name(s) of the parents, step-parents, guardians, etc. With blended families it is sometimes confusing when complete names are not given.
    F. DATE STUDENT ENROLLED: Be precise as to the date the student entered your school.
    G. EXCEPTIONS: Certain situations allow a student to be eligible without a bona fide change of address. See By-Law 1.60.
    FOR THE CURRENT YEAR (2023-24):

1. A student whose birth date was prior to May 1, 2004, is over age and is not eligible.
2. A student who entered 9th grade prior to August of 2020, has exceeded eight (8) semesters and is not eligible.

9. CERTIFICATE OF ELIGIBILITY - FORM C
   A. STUDENTS WITH INTERRUPTED ACADEMIC ELIGIBILITY: Form C must be entered online. A student gains or loses eligibility on the first day of each semester. If the student is not eligible because he has an “Incomplete” in one or more classes, or if the student is in a Credit Recovery Program at the beginning of second semester, the student has 15 school days to become eligible. That student may not practice or compete in the interim. (see By-Law 1.58). Students who have had their academic progress interrupted need to be filed on a Form C, even if their eligibility form has been submitted previously. Be certain that the relevant portions of this form are filled out completely.
   B. FILING PROCEDURES:
      1. The upper half of the Form C is to be completed just like a Form A. The numbers in the “Units Earned Previous Semester” column and the “Total Units Accumulated” column should reflect the progress made in the 15-schoolday period.
      2. The lower half of the Form C is to be completed according to the particular issue for the student. One portion is completed if the student was making up “Incompletes,” and the other is completed if the student was involved in a “Credit Recovery Program.” If the course work is not made up in the allotted 15-school-day period for the second semester, the student is ineligible for that semester. The Principal still has the option of filing a “Hardship Application” if there are special circumstances that prevented the completion of the coursework in the 15-school-day period.
10. MT (magnet transfer) Forms must be entered online.
11. HS (home study transfer) Forms must be entered online. Directions may be found on the “forms” page under Resources on the GHSA web site.
12. All hardships must be entered online with supporting documents uploaded.

APPENDIX 'N'

GUIDELINES REGARDING NAME, IMAGE AND LIKENESS (NIL)

The GHSA does not specifically prohibit students from engaging in certain commercial activities as individuals. These activities, commonly referred to as name, image and likeness (NIL), will not put a student's amateur status at risk provided the student meets all the requirements for maintaining amateur status in compliance with GHSA by-law 1.92-c and providing there is no violation of by-laws prohibiting influencing a student to attend or remain at a member school under GHSA by-law 1.70 (Recruiting/Undue
Influence/Following The Coach).

A student-athlete may benefit from the use of their name, image and likeness (NIL) in compliance with GHSA by-law 1.92-c provided:

- The compensation is not contingent on specific athletic performance or achievement.
- The compensation is not provided as a incentive to enroll or remain enrolled at a specific school.
- The compensation is not provided by the school or any person acting as an agent for the school.

The following guidelines are in effect for NIL activities:

- Intellectual property - No "marks" may be used including, but not limited to, school logos, school name, school uniforms, school mascot, or any trademarked GHSA logo or acronyms.
- No school apparel or equipment shall be worn, which includes school name, school uniforms, school logo, school mascot or any apparel displaying trademarked GHSA logos or acronyms.
- No member school facility may be used for the purpose of name, image and likeness activities.
- No activities in conflict with a member school's local school district policy may be endorsed. (Examples include, but are not limited to, tobacco products, alcohol products and controlled substances.)
- Students and their families should seek professional guidance as to how NIL activities could impact collegiate financial aid and/or tax implications, among other issues.
- Within seven (7) calendar days after entering into any type of NIL contract/agreement, a student, or the student's parents/guardians, must notify the Principal or Athletic Director of the student's school of entering into that agreement.

AMENDMENT TO APPENDIX "N" OF THE GHSA BYLAWS

Appendix N of the GHSA Bylaws is hereby amended as follows:

By adding thereto the following language to the guidelines in effect for NIL activities:

No student-athlete may be a member of nor receive compensation or any other benefit from a Collective or NIL Club. A Collective is defined as any group organized or existing for the purpose of compensating or benefiting an individual student athlete or a group of student athletes of a member school. NIL Clubs are defined as a group of student athletes organized or existing for the purpose of soliciting funds or other benefits from fans, members or other sources, managing or promoting NIL activities of student athletes or otherwise providing funds or other benefits to an individual student athlete or group of student athletes.

Booster Clubs are not considered Collectives or NIL Clubs if such Booster Club is operated under the supervision of a member school and provides monetary or other benefits to school athletic facilities, school athletic equipment, school team meals or other school team benefits rather than to an individual student athlete or group of student athletes.

Student athletes violating this guideline may be subject to loss of eligibility to compete in GHSA activities and any member school which knowingly allows any student athlete to violate these guidelines may be subject to fines, forfeiture of contests, probation and being declared ineligible to compete in post season GHSA contests or activities.

APPENDIX 'P'

GHSA FINES STRUCTURE FOR RULES VIOLATIONS

In accordance with Section 13 of Article IV of the Constitution of the Georgia High School Association, member schools are required to abide by all the rules of the Association.
The Executive Director of the Association is empowered to make a determination as to whether a violation of GHSA rules has occurred, and to assess an appropriate penalty that may include:

1. a fine of not more than $2,500.00 per offense, and/or
2. probation in the sport(s) in which the violation occurred, and/or
3. suspension from the Association for up to a full calendar year, and/or
4. forfeiture of games and/or contests.

Pursuant to such authority, the Georgia High School Association, by and through its Executive Director and with the approval of the GHSA Executive Committee, implements and publishes the following ranges of fines for certain designated offenses. Such fines are in addition to the other penalties set forth above. The amount of such fines and the imposition of other penalties shall be determined by the Executive Director upon consideration of the facts and circumstances of the violation and shall include, but not be limited to, the following factors:

1. Whether the violation was the result of carelessness, willfulness, or ignorance.
2. The length of time the violation continued.
3. Whether the offense was self-reported or resulted from a complaint by another school, and the extent of cooperation by school officials in the investigation of the violation.
4. The number of violations involved.
5. The result of the violation (i.e.:
    a. injury to a person
    b. financial gain of the offending school or financial loss to another school and the amount thereof
    c. damage to the reputation of the GHSA
    d. whether the violation substantially contributed to winning or losing a game or contest
6. Whether the school involved has had similar or other violations within the past three (3) years.
7. Any other factors deemed by the Executive Director to merit a more or less severe fine and/or penalty.

The list of violations set forth in this listing in not all-inclusive, and if a violation of rules occurs which is not listed herein, then the Executive Director shall have the authority to assess penalties that he deems appropriate.

In addition to the listed fines and penalties, the Executive Director may issue a severe warning to a member school which places the school on notice that further violations of GHSA rules will result in increased fines and/or penalties.

APPENDIX 'PSR'

POST SEASON RANKING FORMULA

Public and Non-Public Schools in Classes A DI, 2A and 3A will play in their assigned regions during the regular season, but private member schools will compete in a combined championship bracket of private member schools only. Public schools in Class A DI, 2A and 3A will participate in a separate championship bracket by assigned classification. The following format will be used for playoff seeding sports where the ranking formula is required.

Public & Private School State Playoff Qualification
Seed all of the Region Champions (1-8, or the number of region champs) by the school's post season ranking formula totals and all of the Region Runner-Up's (9-16, or starting at the seed below the lowest region champ) by the school's post season ranking formula totals and then seeding the remaining 3rd & 4th finishing place schools and At Large seeds strictly by the school's post season ranking formula (starting with the seed below the lowest region runner-up).

GHSA Post Season Ranking Formula will contain:

- **Winning Percentage (WP)** is calculated by taking a team's wins divided by the number of contests played.
  - Home win equals 0.9, Away win equals 1.1, neutral site and non GHSA win equals 1.
  - Private Schools will use the same Home, Away, Neutral and non GHSA win equals from above.
  - For sanctioned tournaments and play dates, if an opponent plays against the host at the host site, a home win equals 0.9 and an away win equals 1.1. All other contests, not involving the host, would be considered a neutral site and a win equals 1.
  - All Region tournament contests will be considered a neutral site and a win equals 1.
- **Opponents' Winning Percentage (OWP)** – is calculated by taking the average of the WP's for each of the team's opponents with the requirement that all contests against the team in question are removed from the equation.
- **Opponents' Opponents' Winning Percentage (OOWP)** – is calculated by taking the average of each Opponent's OWP. Note that the team in question is part of the team's OOWP.

- MIS system would calculate the ranking using the evaluation formula for each Class A DI-3A team by sport.
- GHSA Post Season Ranking Formula will be published on the GHSA website for public viewing.
- Tiebreakers for equal ranking
  - Head-to-Head Result
  - GHSA Tiebreaker in ByLaws

GHSA Post Season Ranking Formula: (Public and Private Schools)

PSRF = (WP*0.35) + (OWP * 0.35) + (OOWP * 0.30)

WP – Winning Percentage
OWP – Opponents' Winning Percentage against all opponents
OOWP – Opponents' Opponents' Winning Percentage against all opponents

WP – is calculated by taking a team's wins divided by the number of contests it has played. Home win equals 0.9, Away win equals 1.1, neutral site and non GHSA opponents win is 1.
OWP – is calculated by taking the average of the WP's for each of the team's opponents with the requirement that all contests against the team in question are removed from the equation.
OOWP – is calculated by taking the average of each Opponent's OWP. Note that the team in question is part of the team's OOWP.

Team A loses to Team B at home
Team A wins against Team B on the road Team A loses to Team C on the road Team A is 1 – 2

Examples:
Team A loses a home game, wins an away game, and loses an away game.
WP = 1.1 (away win) / (1.1 (away game) + 1.1 (away game) + 0.9 (home game) = 0.35483
Team A has played Team B twice and Team B WP would be counted twice. Team A has played Team C once and Team C WP would be counted once.
OWP = (0/1 + 0/1 + 2/2) / 3 (number of opponents- Team B, Team B, Team C) OWP = 0.3333 OOWP = (Team B's OWP + Teams B's OWP + Team C's OWP) / 3.
OOWP = (0.000 + 0.000 + 0.500) / 3 = 0.1667
Team A's PSRF = (WP * 0.25) + (OWP * 0.50) + (OOWP * 0.25) Team A's PSRF = (0.35483 * 0.35) + (0.33333 * 0.35) + (0.16667 * 0.30) = 0.29086

Example - Public Bracket - 4 public schools win the region and 5 public schools finish as the region runner-up; 15 public schools finish as #3 or #4 in the region; that's a total of 24 schools guaranteed a state playoff seed; the 8 remaining seeds are determined using the PSRF. The GHSA Office will build a platform in the MIS system that implements the following requirements:

- Every Class A DII-6A school team enters their schedule in the MIS system (Schedule will be locked before 1st game).
    - Each school enters their teams schedule on the MIS platform for all contests; Contests against out of state

schools and non GHSA member schools will be calculated using winning percentage only.
    - All postponed contests should be rescheduled.
    - Canceled contests will need approval from the GHSA office to reschedule a replacement opponent.
    - Forfeited contests count in a school's formula and the appropriate points should be applied (If a school chooses to accept the forfeited contest points, any additional scheduled game played will not be calculated into the school's formula).
    - However, if a school chooses to not accept the forfeited contest points, the additional "makeup" contest will be calculated into the school's formula. The school must choose which option to accept before the makeup contest is played.
- All contests against GHSA member schools will be used to calculate the school's PSRF regardless of classification. Schools will not earn additional points for playing schools in higher classifications.
- All member schools must enter their scores in the MIS system for the schedule entered in the system (scores will be locked after being submitted).
