ATHLETIC PIN CONTESTS

Mr. Clark Howell of the Atlanta Constitution has given us \$150 for the purchase of athletic pins for the school year 1924-1925.

Any local school system or county may hold this contest at any time during the school year from November to May. There are no height, weight, or age limits.

The pupils who contest must be bona fide students of the school and in good standing, according to the regulations of the High School Association. To win a pin, it is necessary to qualify at one time in all four events of the test. Pupils who have received these Constitution pins in previous years are not eligible to contest for this Senior pin.

The date of the local contest must be publicly announced and the contestants must appear on that date. Contests are open to the public. At least two responsible adults must act as judges at the contests.

Certain options are permitted, to make the tests adaptable to varied local conditions and to allow choice of those activities which most interest the boys.

Schools using these tests will find that the pupils will be practicing the different events at school and at home for months. They are not meant for the exceptional athlete but to encourage pupils to attain to a standard all round condition.

The Constitution-University pin will be awarded any pupils who are properly certified to and have met the conditions at the announced public contest. Schools may hold the tests in the fall and again in the first four months of the new year. A fall contest will show up the pupils and stimulate effort and interest in the next tryout. Pupils may win only one pin.
