APPEALS					
1. Pataula Charter - The appeal was based on their request to have a forfeited game reversed. The appeal is denied due to the fact that PCA agreed to reschedule a game, then failed to play the rescheduled game.					
2. Savannah Country Day - The appeal was based on some forfeited games in Region 5A. After					

	review of the information, it has been determined that Region 5A had established a region			
	policy concerning forfeits for games between region teams and were within their			
	established policy concerning such games. As such, the appeal was denied.			
NOTE: Schools are to be reminded of the following:				
	1. When calculating points for losses, the opponent's win total is multiplied by 33% not 1/3.			
	2. Appeals may be submitted only by the schools who wish to appeal their own points.			
	While opponents' schedules may be the basis for the appeal, their appeal will only affect			
	their own point total.
