In Memory of Coach Len West

Leonard Robert (Coach) West, age 69, of Woodstock, passed peacefully on July 4, 2017, with his family at his side, following a valiant battle with cancer.

Leonard was born in Oak Harbor, Washington, to loving parents, Ralph and Jane West, on March 12, 1948, while his father was stationed there. His family then settled in Florida where he graduated from Lyman High School (Longwood), and later, Florida State University in 1972 (where he was also a coach's assistant). Also, while at Florida State, he met his loving wife of 47 years, Gayle. Leonard was known to many as "Coach". He was a wonderful mentor, and influence, as a basketball/baseball coach for many years at Metter High School, Auburn at Montgomery, Etowah High School, and Gordon College. His hobbies included golf, collecting sports memorabilia, and loved nothing more than spending time with his wife, children, and grandchildren.
