### **DIRECTOR'S REPORT**

Executive Director Robin Hines addressed the committee on several issues, including the possible abuse of out-of-season practice restrictions and how to educate the member schools on the four player/one coach rule, the latest GHSA finances, and plans for improvement in procedures for selecting the official crews for football state playoffs in the future. He further discussed and emphasized that there had been no misapplications of rules in the state championship football game between Peach County and Calhoun. Dr. Hines then called on Don Corr to talk about future plans in wrestling, including moving the Dual State Tournament to two high school gyms next season, and Penny Pitts Mitchell, who spoke to the committee about future plans for a Game-Day spirit cheerleading event, an opportunity to get into the e-sports world and plans to add a Competitive Dance event. Dr. Hines also asked Tommy Whittle to address the committee on plans for this year's Lacrosse championships to be held at Kennesaw State University and the possibility of adding a seventh official to crews working playoff football games next season.

There being no further business, a motion was made and unanimously approved to adjourn the meeting.
