3 Position Air Rifle

Pool International Shooting Complex
Fort Benning, Georgia

April 12, 2003

Dear GHSA Rifle Championship Coaches and Competitors:

Congratulations! You made it through the regular and post season to the State Championship in the best high school rifle program in the Country. You should feel honored and proud and your schools and families should share those feelings.

The Georgia High School Association (GHSA) adopted three-position air rifle as a varsity sport in SY 1991-92 so this is our 12th State Championship in the sport. Each year we have seen growth in numbers of schools and competitors and growth in the proficiency of our athletes. The 1st three championships were held in high school ranges with eight competitors per relay. The next three were held in a gymnasium where up to twenty competitors competed in each relay. We were then fortunate to be able to use the Olympic Shooting Complex in Atlanta for our next five championships which helped us move into the 'big leagues' of junior rifle shooting. That great facility permitted us to accommodate all in just two relays and provided an advanced electronic scoring system which was very spectator friendly. Our spectator crowd began to grow and families and friends could enjoy the championship. The Olympic Complex is no longer available but hopefully efforts to save the facility will be fruitful and we can return there in future years.

We are fortunate this year that several at Fort Benning were willing to help us so that we could continue firing at a large range with electronic targets. We used only one side of the range so that we could accommodate your supporting spectators. Thank you to all the Fort Benning personnel that came to our aid and to our volunteer staff. We especially thank the Georgia High School Association and the commanders of Fort Benning and of the U. S. Army Marksmanship Unit (AMU).

Our special thanks to Mr. Michael Behnke, the S-3 and Competitions Director of the AMU, for his many hours of personal time to make this event at Fort Benning a reality.

Please support our troops.
