

PA Announcements for “Know your Score Night”

Please read PA announcements of your choice during pre-game and halftime of football games the week of Sept. 22-27.

Public Address #1

It’s “Know Your Score Night” throughout the state of Georgia. The Georgia High School Association and the Georgia Prostate Cancer Coalition have teamed up to make men more aware of the need to pay better attention to their health.

Because 1 in every 6 men will have prostate cancer in their lifetime, getting a yearly prostate exam and a blood test to determine your prostate-PSA score can save your life.

Guys, get to the doctor. Get tested. And, KNOW YOUR SCORE!

Public Address #2

Each year, more and more men are surviving prostate cancer...because they see their doctor once a year for a physical that includes a prostate exam and a blood test to determine their PSA score.

KNOW YOUR SCORE!

Get to your doctor for YOUR prostate exam.

Know YOUR score...

1 in every 6 men will get prostate cancer in their lifetime.

But...with early detection, you can be a survivor.

If you ARE a prostate cancer survivor, please stand!

(and, ask the fans to give the survivors a round of applause)
