invite you to attend

The Concussion Discussion

Saturday, February 6, 2016

9:00am - Noon

**Infinite Energy Forum
Room 5ABC
6400 Sugarloaf Parkway
Duluth, GA 30097**

This community forum is offered to parents, coaches, athletes, teachers athletic association executives, health care professionals and other interested community stakeholders to learn more about this important health issue that has grown to epidemic proportions.

Concussion experts from across the State will educate us on the science of concussion, good policy and program implementation, and best practices in concussion management and care. Athletes will share powerful testimony to the importance of this discussion and offer valuable insight into their real-life concussion journeys.

Event is free of charge. Casual dress is encouraged.

RSVP Candace Morgan at 678-312-6002 or email camorgan@gwinnettmedicalcenter.org
